By turns darkly menacing and bright with love and resilience, *The Talk-Funny Girl* is the story of one young woman's remarkable courage, a kind of road map for the healing of early abuse, and a testament to the power of kindness and love. In one of the poorest parts of rural New Hampshire, teenage girls have been disappearing, snatched from back country roads, never to be seen alive again. For seventeen-year-old Marjorie Richards, the fear raised by these abductions is the backdrop to what she lives with in her own home, every day. Marjorie has been raised by parents so intentionally isolated from normal society that they have developed their own dialect, a kind of mountain hybrid of English that displays both their ignorance of and disdain for the wider world. Marjorie is tormented by her classmates, who call her "The Talk-funny girl," but as the nearby factory town sinks deeper into economic ruin and as her parents fall more completely under the influence of a sadistic cult leader, her options for escape dwindle. But then, thanks to a loving aunt, Marjorie is hired by a man, himself a victim of abuse, who is building what he calls "a cathedral," right in the center of town. Day by day, as Marjorie's skills as a stoneworker increase, so too does her intolerance for the bitter rules of her family life. Gradually, through exposure to the world beyond her parents' wood cabin thanks to the kindness of her aunt and her boss, and an almost superhuman determination, she discovers what is loveable within herself. This newfound confidence and self-esteem ultimately allows her to break free from the bleak life she has known, to find love, to start a family, and to try to heal her old, deep wounds without passing that pain on to her husband and children.

The Italian Summer

Fore, bella! From the author of critically acclaimed *Golfing with God* comes a charming narrative of a hole-in-one trip through Italy -- a glorious summer of golfing, eating, and learning how to slow down and enjoy life. In the summer of 2007, Roland Merullo was feeling a little burnt out by the frantic pace of his life in the United States and decided to rent an Italian villa near the shore of Lake Como. He arrived in Italy with his wife and two young daughters, hoping the Mediterranean air would teach him to appreciate the more relaxed, Italian way of living: a focus on food, family, and fun. An avid golfer and golf writer, Merullo also set out to enjoy one of Italy's lesser-known treasures: excellent golf on some gorgeous courses. With his customary wit, keen eye, and down-to-earth style, Merullo shares this fascinating account of his summer in

Italy, offering detailed and often humorous descriptions of wonderful meals, colorful characters, rounds of golf at some of the most beautiful courses in Europe, and precious time spent with family. The Italian Summer brings to life the myriad joys of Italian existence in a way that all lovers of food, wine, travel, and the proverbial "good walk spoiled" will savor.

Restaurant Business

The new novel from the award-winning author of *Breakfast with Buddha* and *Revere Beach Boulevard* tells the story of a young Catholic woman jolted from a quietly devout life in pursuit of a mysterious calling. Cynthia Piantedosi lives a quiet, unassuming life outside of Boston, guided by her Catholic faith. When she loses her beloved grandmother, she begins experiencing "spells" of such intense spiritual intimacy that she wonders about her sanity. Devoted to her elderly father and not particularly interested in dating and socializing, she develops a deep friendship with her parish priest. His congregation sees him as provocative and radical, but he encourages Cynthia to explore her faith—however it presents itself. When he is killed in a mysterious accident, a message begins to emerge from Cynthia's prayers: God is calling her to be the first female Catholic priest. Her revelation is met with ridicule by certain of the more reactionary officials she reaches out to within the Church. Unable to tune out the divine messages, she lets the power of unswerving faith drive her all the way to the Vatican in pursuit of a destiny she doesn't fully understand—and a turn of events that will inevitably bring long overdue change to the Catholic Church. From the Hardcover edition.

Cooking with the Authors of Summer Heat

After many years of working in standup comedy, followed by a small nervous breakdown, Michael Dane taught himself to cook at the age of fifty. Along the way, he found a little bit of sanity. If you're a full-fledged foodie or a kitchen klutz, whether you love to cook or live for take-out -- if you're craving humor with a bite, this book is for you. Join the author on his stumbling culinary journey, as he bridges the gap between Top Ramen and Top Chef, from 'The Piggly Wiggly Cookbook' to 'Modernist Cuisine.' If you like gadgets, you'll find out about about everything from quinoa sifters to guns that shoot beef jerky. You'll also read about two of the most important things any good cook should have: a cast-iron skillet and a catchphrase. You'll meet a group of performers who make music with vegetables . . . a man who has made the best doughnuts in L.A. for the past fifty years . . . and a tattooed, fire-loving chef with a connection to Hunter S. Thompson. Find out how the host of "The Splendid Table" feels about okra, and learn about cooking a fox from somebody's mom. The author's own mother makes a surprise appearance, too, and though this isn't a cookbook, there are even a couple of recipes for good measure. Dig in!
