The Gray Man series by Mark Greaney is a personal favourite of mine and I'm currently re-reading them for the 3rd time at this moment. Can't wait for the Netflix show starring Ryan Gosling and Captain America! Arguably the best book series in the spy thriller genre. This will be the 10th outing by the Gray Man and all the books are fantastic.

Book Summary

Walk Two Moons is a novel written by Sharon Creech, published by HarperCollins in 1994 and winner of the 1995 Newbery Medal. The novel was originally intended as a follow-up to Creech's previous novel *Absolutely Normal Chaos*; but, the idea was changed after she began writing it.
