Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Book Your Pastor Wishes You Would Read

Understanding Spiritual Gifts

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all?giving. This is the handbook of Financial Peace University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in The Total Money Makeover, and trust us?the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Godonomics

What are spiritual gifts? Author and pastor Sam Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts. Yet there

Free Copy The Pastors Wallet Complete Guide To The Clergy Housing Allowance

remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ. In this comprehensive guide to the spiritual gifts, Storms addresses the many bizarre and misleading interpretations that abound and confronts the tendency to downplay the urgency of spiritual gifts for Christian living and ministry. He explains how spiritual gifts, both the more miraculous and the somewhat mundane, are given to build up the body of Christ. God has graciously provided these "manifestations of the Spirit" so that believers might encourage, edify, strengthen, instruct, and console one another, all with a view to an ever-increasing, incremental transformation into the image of Jesus Christ. Throughout this guide, Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every born-again believer. God does not call upon us to speculate about the nature of this power or to embrace it as a mere idea. His desire is that we avail ourselves of it to partner with him in his purposes on the earth. His desire is that we cry out to him that he might intensify, expand, increase, and deepen the manifestation of this power through us in ever more demonstrative and tangible ways in our lives. Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts, but it also serves as a training manual for using and exercising the gifts in ministry. It is perfect for any individual or group who wants to grow in their understanding of the gifts for today.

Describes accommodations, dining, and attractions

Planting growing churches for the twenty-first century

Church planting has become a cottage industry. National conferences, hip planting organizations, and all-in-one resource kits celebrate the thrill of pioneering a church and inspire visions of glorious victories. Yet few who respond to the call are warned what they'll actually encounter: the relentless opposition they'll endure; the eventual scattering of their entire core group; the failure of their tried-and-true, field-tested system. Here's the dirty little secret of church planting: the roadside is strewn with casualties. Many have closed their churches. Some left ministry permanently. Others abandoned the faith altogether. Church planting is at once the greatest and most grueling ministry work on earth. This book is for those toiling in the trenches, those about to bail out, and those considering jumping in. It's for the church planters laboring and struggling, seeing little movement, and wondering what they're doing wrong or why God is failing them. It's also for mother churches, planting

Free Copy The Pastors Wallet Complete Guide To The Clergy Housing Allowance

organizations, and denominations, as a challenge to rethink and re-calibrate the way they approach and measure planting endeavors. The Honest Guide to Church Planting is a fresh and candid conversation about the challenges and joys of planting new churches. Tom Bennardo speaks the truth so that those involved in church planting can embrace a more accurate and realistic picture of what planting a church is really like; one that not only enables them to survive, but to thrive in this difficult work.

The Wallet-book of the Roman Wall

If the church is to thrive in the twenty-first century, it will have to take on a new form as it ministers to the 120 million unchurched people in the United States. Planting Growing Churches for the 21st Century is still virtually the only available text on church planting in North America and beyond. In this third edition, readers will find material on the importance of healthy, biblical change in our churches, updated appendixes, insight on our postmodern ministry context, and strategies for reaching new population demographics such as Generations X and Y. Pastors, ministry leaders, and church planters will find the information and advice found in this book invaluable as they carry out their ministries.

Dave Ramsey's Complete Guide to Money

The Zondervan 2021 Pastor's Annual

A Christian's Guide to Family Finances

Bradshaw's continental [afterw.] monthly continental railway, steam navigation & conveyance guide. June 1847 - July/Oct. 1939

"Conscientious and compassionate use of our money in a world where people spend \$310 million on costumes for their pets and \$5 billion on entertaining ringtones for their phones is not an easy task. The temptation to spend now and think later (or never!) is ever-present, but with good intentions and prayerful hearts, we can slow down and reflect on what we earn, how we spend it, who is affected by it, and who we can share it with." -from the introduction Every Christian knows that we are called to love God with all our heart, mind, soul, and strength. But what about our wallet? We are asked to open it every Sunday when the offering basket comes by and are told that giving is a way of being a "good steward," but what about spending money at a restaurant or grocery store? Best-selling author Mike Slaughter offers a comprehensive look at how Christians use their money in *The Christian Wallet*. Slaughter explores today's culture of consumerism and the impact of what we buy, asking difficult questions about morality and money while acknowledging that there are no easy answers. Throughout the book, profiles of real people inspire thoughtful reflection about the true value of money and the rewards of conscious spending. Questions for individual or group study are also included with each chapter. *The Christian Wallet* helps Christians grapple with important questions about using money: how we spend, how we live, how we save, how we give, and what it all means.

This invaluable and straightforward guide to the living medieval churches of Norfolk helps the church visitor to understand both the universal features of churches and the history of medieval England.

Early days; or, The Wesleyan scholar's guide

Issues for Jan 12, 1888-Jan. 1889 include monthly "Magazine supplement".

A Complete Guide to Heraldry - Illustrated by Nine Plates and Nearly 800 Other Designs

Caring for your pastor and the difference it makes. Caring for your pastor and the difference it makes. What do you think about your pastor? Do you chew over his sermons and wonder if they are clear and helpful? Do you feel he spends enough time with you? In fact, do you ever catch yourself wondering what he does all day? The truth is, often we think, "What can my pastor do for me?" Far less often do we think, "What can I do for my pastor?" Seasoned former pastor, Christopher Ash, urges church members to think about pastors not just in terms of what they do €" how they lead and pray and preach and teach and so on €" but about who they are. He encourages us to remember that pastors are people and to pray for them as they serve us. Paradoxically, caring for our pastor will be a blessing to us as well as to them, and create a culture of true fellowship in our church family.
