## **Visualization Techniques to Manifest Desired Outcomes**

Psychic Dreams. Precognition is the ability or the direct knowledge to foresee events before they happen through ESP. This phenomena can be experienced 60 to 70 percent in dreams, and the rest in day dreams or walking visions.

## **Short happy birthday wishes ~ Messages | Sayings and quotes**

Dream worlds (also called dream realms or illusory realms) are a commonly used plot device in fictional works, most notably in science fiction and fantasy fiction. The use of a dream world creates a situation whereby a character (or group of characters) is placed in a marvellous and unpredictable environment and must overcome several personal problems to leave it.
