In 1956, a casual bet between two millionaires eventually pitted two of the greatest golfers of the era -- Byron Nelson and Ben Hogan -- against top amateurs Harvie Ward and Ken Venturi. The year: 1956. Decades have passed since Eddie Lowery came to fame as the ten-year-old caddie to U.S. Open Champion Francis Ouimet. Now a wealthy car dealer and avid supporter of amateur golf, Lowery has just made a bet with fellow millionaire George Coleman. Lowery claims that two of his employees, amateur golfers Harvie Ward and Ken Venturi, cannot be beaten in a best-ball match, and challenges Coleman to bring any two golfers of his choice to the course at 10 a.m. the next day to settle the issue. Coleman accepts the challenge and shows up with

his own power team: Ben Hogan and Byron Nelson, the game's greatest living professionals, with fourteen major championships between them. In Mark Frost's peerless hands, complete with the recollections of all the participants, the story of this immortal foursome and the game they played that day—legendarily known in golf circles as the greatest private match ever played—comes to life with powerful, emotional impact and edge-of-your-seat suspense.

Golf Digest's Ultimate Drill Book

A Question of Sport Quiz Book

The perfect gift for any golfer looking to elevate their game. The best players know that golf is a game of confidence, and most important, concentration—the ability to focus and block out distraction. The goal of achieving clear thought is also at the heart of Buddhist teachings. In his highly original and groundbreaking book, noted PGA coach and Buddhist instructor, Dr. Joseph Parent, draws on this natural connection and teaches golfers how to clear their minds, achieve ultimate focus, and play in the moment for each shot. Zen Golf presents a simple system for building “mental game mastery.” Dr Parent’s unique PAR Approach (focusing on Preparation, Action, and Response to Results) guides golfers with specific techniques for each aspect of their games. In chapters such as “How to Get From the Practice Tee to the First Tee”, “You Produce What You Fear”, and “How to Enjoy a Bad Round of Golf”, the author shares a personal teaching regimen that has helped improve the games of professionals and amateurs alike. By combining classic insights and stories from Zen tradition, Zen Golf helps eliminate the mental distractions that routinely cause poor shots and loss of concentration, allowing golfers to feel in “the zone” that professionals have learned to master. Clear, concise, and enlightening, Zen Golf shows golfers how to prepare for, execute, and equally important, respond the results of any golf shot. A different approach to golf instruction, this book shapes ancient philosophies into new teachings.

The Ultimate Trivial Pursuit Question & Answer Book

Remarkable Golf Courses encompasses the extremes of the sport — from the highest golf course in La Paz, Bolivia, to the lowest, in Death Valley, USA; from the most northerly in the Arctic Circle to the most southerly in Tierra del Fuego. The many quirks of the golfing world are covered, such as the 18th green the other side of the River Lea which is serviced by an electric ferry, or the LA golf course that has its own funicular railway, or the floating golf hole in Idaho, where it’s not just the pin position that’s changed every day, it’s the distance from the shore! Golf courses that feature neolithic standing stones (Scotland), Roman roads (England), and ruined medieval castles (Wales) take their place alongside the old temples of Delhi or a UNESCO World Heritage bridge that is used to link the 9th and 10th at Angkor Wat. There are the beloved classic courses of St. Andrews, Carnoustie, Royal St. George and Westward Ho!. There are spectacular golf courses hewn out of the Nevada and Arizona desert, green oases in a cactus-strewn, rocky landscape, along with Hawaiian courses fringed by barren black lava flows. But nothing can beat the thrill in Guatemala of lining up your drive on an active volcano at the Fuego Maya course. In comparison there are the traditional wind-blown Scottish links, such as the Machrie Hotel on the island of Islay which has the most blind greens on any course, or the remote Isle of Barra where greens are only accessible via a kissing gate. Fancy swapping countries mid-round? You can at the Llanmymynech club in Wales. At the fourth hole golfers tee off in Wales and putt out on the green in England. The Ultimate Golf Trivia Book

John Updike wrote about the lure of golf for five decades, from the first time he teed off at the age of twenty-five until his final rounds at the age of seventy-six. *Golf Dreams* collects the most memorable of his golf pieces, high-spirited evidence of his learning, playing, and living for the game. The camaraderie of golf, the perils of its present boom, how to relate to caddies, and how to manage short putts are among the topics he addresses, sometimes in lyrical essays, sometimes in light verse, sometimes in wickedly comic fiction. All thirty pieces have the lilt of a love song, and the crispness of a firm chip stiff to the pin.

Most golfers who want to improve their skills go to the range and work painstakingly on their swings, not realizing it's often their performance state on the course that needs work, not their technique. Simple things such as awareness of your balance, tension, and tempo, as well as the ability to control mental, emotional, and social variables you encounter while playing can quickly take your game to a new performance level. Pia Nilsson and Lynn Marriott, founders of VISION54's golf program, are here to help"--
