## Witchery

"Lisa Lister is an uber-goddess of humour, wisdom, fun and cheek. She's just what THIS doctor ordered." – Dr Christiane Northrup, author of *Goddesses Never Age* and *Making Life Easy* A witch is a wise woman, a healer. Yet for so long the word "witch" has had negative connotations. In this book, third generation hereditary witch Lisa Lister explains the history behind witchcraft, why

# File Type PDF The Witches Book Of Self Care Magical Ways To Pamper Soothe And Care For Your Body And Spirit

identifying as a healer in past centuries led women to be burned at the stake, and why the witch is reawakening in women across the world today. All women are witches, and when they connect to source, trust their intuition, and use their magic, they can make medicine to heal themselves and the world. This book is a re-telling of Herstory, an overview of the different schools of witchcraft and the core principles and practices within them. Discover ancient wisdom made relevant for modern witches:

- The wheel of the year, the sabbats, the cycles of the moon.
- Tools to enhance your intuition, including oracle cards and dowsing, so that you can make decisions quickly and comfortably.
- Understanding the ancient use of the word "medicine".
- How to work with herbs, crystals, and power animals so that you have support in your spiritual work.
- How to build and use a home altar to focus your intentions and align you with seasonal cycles, the moon cycles, and your own intentions for growth.
- Cleanse, purify, and create sacred space.
- Work with the elements to achieve deep connection with the world around you.

In addition, Lisa teaches personal, hands-on rituals and spells from her family lineage of gypsy witch magic to help you heal, manifest, and rediscover your powers. Above all, Lisa shows that we really are "the granddaughters of the witches that they couldn't burn".

## Sacred Smoke

From the podcast host of *The Witch Wave* and practicing witch Pam Grossman—who *Vulture* has dubbed the “Terry Gross of witches”—comes an exploration of the world’s fascination with witches, why they have intrigued us for centuries and why they’re more relevant now than ever. When you think of a witch, what do you picture? Pointy black hat, maybe a broomstick. But witches in various guises have been with us for millennia. In *Waking the Witch*, Pam Grossman explores the impact of the world’s most magical icon. From the idea of the femme fatale in league with the devil to the bewitching pop culture archetypes in *Sabrina the Teenage Witch* and *Harry Potter*; from the spooky ladies in fairy tales to the rise of contemporary witchcraft, witches reflect the power and potential of women. Part cultural analysis, part memoir, *Waking the Witch* traces the author’s own journey on the path to witchcraft, and how this has helped her find self-empowerment and purpose. It celebrates witches past, present, and future, and reveals the critical role they have played—and will continue to play—in the world as we know it. “Deftly illuminating the past while beckoning us towards the future, *Waking the Witch* has all the makings of a feminist classic. Wise, relatable, and real, Pam Grossman is the witch we need for our times” (Ami McKay, author of *The Witches of New York*).

## The Okay Witch

A special middle grade debut of magic and courage in a world of witches, written with the charm and enchantment of Circus Mirandus and The Apothecary. Arianwyn has flunked her witch's assessment: She's doomed. Declared an apprentice and sent to the town of Lull in disgrace, she may never become a real witch-- much to the glee of her arch-rival, Gimma. But remote Lull is not as boring as it seems. Strange things are sighted in the woods, a dangerous infestation of hex creeps throughout the town, and a mysterious magical visitor arrives with his eye on her. With every spirit banished, creature helped, and spell cast, Arianwyn starts to get the hang of being a witch--even if she's only an apprentice. But

the worst still lies ahead. For a sinister darkness has begun to haunt her spells, and there may be much more at stake than just her pride . . . for Arianwyn and the entire land.

## The Witch's Mirror

A Witch's Book of Silence will help you deepen your practice and increase the efficacy of your magic. Silence is the space from which creative impulse flows. In silence we touch the power we call God/dess and become attuned to wisdom beyond our own. We learn to commune with the spirits of land, our ancestors and others of the unseen realms. We enter the ineffable mystery sought by ancient and contemporary mystics alike. Through silent communion we attain ecstatic union with the Divine. The book addresses some of the most pressing and controversial concerns of the Craft as both a modern-day movement and private, religious system. A Witch's Book of Silence is a mirror for us individually and collectively. Here we see reflected our beauty and power as well as our fear and foibles. Divided into three segments. The first defines terms, explores concepts and discusses how and why we resist the practice of silence. The second segment offers practices leading the seeker into the heart of silence where the mysteries are revealed . The final segment offers a glimpse of what awaits us should we dare to steep ourselves in the cauldron of transformation. A Witch's Book of Silence is born out of decades of studying, practicing and teaching the art of Witchcraft during which time the author noted the impact of the internet on the transfer of once closely guarded information. The Witch's Pyramid became unbalanced as the powers to Know, Will and Dare were highly sought after while Keeping Silent fell out of fashion--a silly, scary and inconsequential relic of the past. The Witch must confront and overcome her fear and resistance to entering the realms of silence. Keeping silent is necessary to build power, perform effective magic and engage

# File Type PDF The Witches Book Of Self Care Magical Ways To Pamper Soothe And Care For Your Body And Spirit

deeply with the mysteries. While written from the perspective of a Feri Witch, the concerns, practices and resolutions offered will be equally valuable when applied to any spiritual path requiring the practitioner develop self-awareness, personal integrity, cognizant communication with spirit and the use of meaningful speech imbued with creative force.

your relationships to your allies in spirit through soul flight, mediumship, and conjuration. Working with spirits is the cornerstone of the witch's art. This book shows you how to stay in control as you increase your witch power and deepen your connection to forces seen and unseen. Praise: "Devin covers in depth an elusive side of witchcraft that few have explored in great practical detail. Devin presents the material in a very grounded, no-nonsense approach paired with an inherent sense of responsibility. His understanding of mediumship, conjuring, flying, and working with the spirit world displays the truth that he not only talks the talk, but also walks the walk."—Laura Tempest Zakroff, author of *Sigil Witchery* "The Witch's Book of Spirits is the most complete book on working with the dead ever written for Witches, but it's more than a manual for communicating with souls of the departed. It's also a guide to the worlds which generally lay just outside of our grasp and a thorough look at the beings that live there. I'd also like to add that it's just a damn fine book about witchcraft, filled with advice and some much-needed common sense."—Jason Mankey, author of *The Witch's Book of Shadows* "Teaching an art requires a delicate brew of guidance, cautions, and encouragement; Devin Hunter's book hits the right recipe. The Witch's Book of Spirits is a book that captures the author's personal vision and process while providing systems and frameworks that can serve the reader in developing their own way with the spirits."—Ivo Dominguez, Jr., author of *Practical Astrology for Witches and Pagans* "In this book Devin gives not just the rituals necessary to conjure and communicate with spirits, but the tools for building life with them. He uses a method of teaching that alternates between supplying theory and principals that can be applied by almost anyone, with very specific rituals that he has received from the spirits himself. The result is a text that you

A wise, witchy, and welcoming guide to living life magically Mya Spalter has spent years among candles, herbs, cats, and spells as an employee at New York City's oldest occult shop, Enchantments. Since it would get crowded in there if all of you visited, this book will be your guide to its secrets and stories; in the process, Mya will introduce you to some mystical concepts you can use to build spells and rituals that resonate with your own personal style, including: \* Create and maintain altars Even people who aren't spiritually inclined seem to be able to get down with the beneficial function of an altar as a place to model beauty and balance in their lives. It's aspirational. \* Save your love magic for yourself Because casting a love spell on someone else is pushy and far too easy to mess up. \* Clean your filthy apartment Fine, maybe you make your bed every day, but Mya's talking about the kind of grime you can't necessarily

Mya reveals the power of colors (Louboutins wouldn't have the same status if their soles were lavender), the keys to banishing unfriendly spirits (with cleansing rituals or even a dance party), and invaluable instructions in the timeless arts of astrology, tarot, and finding a parking spot downtown.
