Place Called Freedom

From actresses Tia and Tamera Mowry comes the story of tween twins Cassie and Caitlyn and their discovery that they have the ability to see things before they occur! When their mother's new job forces them to move from bustling San Antonio to middle-of-nowhere Aura, Texas, Caitlyn tries to stay positive, focusing on meeting new people and having new adventures. Cassie, on the other hand, is convinced that it's only a matter of time until they'll be sick of Aura and ready to move back to the big city. But being the new kids isn't their only challenge. The girls start experiencing strange visions, and they must work together to change the future before it can happen. Tia Mowry-Hardict and Tamera Mowry-Housley gained initial fame on the '90s sitcom *Sister, Sister*. Tia can now be seen starring in and producing the Nickelodeon series *Instant Mom* and on the Cooking Channel's show *Tia Mowry at Home*. Tamera is a host and producer on the hit daytime talk show *The Real*, currently airing on FOX. Together they've created a magical series about twin sisters with a powerful gift and an even stronger connection.

Twin Peaks

Harry Mathews's last novel is one of his most accessible—and perhaps one of his best Harry Mathews's brilliant final work, *The Solitary Twin*, is an engaging mystery that simultaneously considers the art of storytelling. When identical twins arrive at an unnamed fishing port, they become the focus of the residents' attention and gossip. The stories they tell about the young men uncover a dizzying web of connections, revealing passion, sex, and murder. Fates are surprisingly intertwined, and the result is a moving, often hilarious, novel that questions our assumptions about life and literature.

The Tuttle Twins Learn About The Law

I'm alone in the dark, please can you find me ... Nine-year-old twins Abigail and Olivia vow never to be parted. But when Abigail goes missing from Blackwater Farm, DC Jennifer Knight must find her before it's too late. Twin sister Olivia has been mute since Abigail's disappearance. But when she whispers in Jennifer's ear, Jennifer realises it is Abigail's voice pleading to be found. A damp and decaying house set in acres of desolate scrubland, the farm is a place of secrets, old and new – and Jennifer must unravel them all in order to find the lost girl. But could Olivia's bond with her twin hold the key to finding Abigail? And can Jennifer break through her silence in time to save her sister's life? A darkly gripping, page-turning thriller that will enthrall fans of Rachel Abbott, Alex Marwood's *The Wicked Girls* and Mark Edwards. What people are saying about *The Silent Twin*: 'This was everything I hoped it would be and then some. Nothing to See Here

Biographer Margaret Lea returns one night to her apartment above her father's antiquarian bookshop. On her steps she finds a letter. It is a hand-written request from one of Britain's most prolific and well-loved novelists. Vida Winter, gravely ill, wants to recount her life story before it is too late, and she wants Margaret to be the one to capture her history. The request takes Margaret by surprise—she doesn't know the author, nor has she read any of Miss Winter's dozens of novels. Late one night, while pondering whether to accept the task of recording Miss Winter's personal story, Margaret begins to read her father's rare copy of Miss Winter's *Thirteen Tales of Change and Desperation*. She is spellbound by the stories and confused when she realizes the book only contains twelve stories. Where is the thirteenth tale? Intrigued, Margaret agrees to meet Miss Winter and act as her biographer. As Vida Winter unfolds her story, she shares with Margaret the dark family

secrets that she has long kept hidden as she remembers her days at Angelfield, the now burnt-out estate that was her childhood home. Margaret carefully records Miss Winter's account and finds herself more and more deeply immersed in the strange and troubling story. In the end, both women have to confront their pasts and the weight of family secrets. As well as the ghosts that haunt them still.

A Wrinkle in Time

Sometimes evil has a familiar face . . . Paul Artisan, P.I. is a new version of an old breed -- a righter of wrongs, someone driven to get to the bottom of things. Too bad his usual cases are of the boring malpractice and fraud variety. Until now. His new gig turns on the disappearance of one of a pair of twins, adult scions of a rich but tragedy-prone family. The missing twin -- a charismatic poster-boy for irresponsibility -- has spent his life daring people to hate him, punishing himself endlessly for his screw-ups and misdeeds. The other twin -- Artisan's client -- is dutiful and resentful in equal measure, bewildered that his "other half" could have turned out so badly, and wracked by guilt at his inability to reform him. He has a more practical reason, as well, for wanting his brother found: their crazy father, in failing health and with guilty secrets of his own, will not divide the family fortune until both siblings are accounted for. But it isn't just a fortune that's at stake here. Truth itself is up for grabs, as the detective's discoveries seem to challenge everything we think we know about identity, and human nature, and family. As Artisan journeys across the globe to track down the bad twin, he seems to have moved into a mirror-world where friends and enemies have a way of looking very much alike. The P.I. may have his long-awaited chance to put his courage and ideals to the test, but if he doesn't get to the bottom of this case soon, it could very well cost him his life. Troup's long-awaited *Bad Twin* is a suspenseful novel that touches on many powerful themes, including the consequence of vengeance, the power of redemption, and where to turn when all seems lost. *Bad Twin* is a work of fiction and all names, characters and incidents are used fictitiously; the author himself is a fictional character.

The Silent Twin

A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar "I can't believe how good this book is. It's wholly original. It's also perfect. Wilson writes with such a light touch. The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates

and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison's buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn't this be the start of the amazing life she'd always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

This Side of Home

A thrilling, chilling story of hidden evil, *The Third Twin* is a heart-stopping, spine-tingling story from master of suspense, Ken Follett. An Impossible Result Jeannie Ferrami, a scientific researcher investigating the behaviour of identical twins who have been raised separately, uncovers a perplexing mystery; identical twins who were born on different days, to different mothers, in different places. A Blossoming Love One, Steve, is a law student and the other, Dennis, a convicted murderer. As Jeannie works with Steve on her project she finds herself falling in love with him, but their world is shattered when he is accused of a monstrous crime. A Terrible Secret Jeannie cannot believe that Steve committed the crime, but proving it means she will be forced to question everything she believes. And as she digs deeper, her investigation uncovers a terrifying conspiracy - and it becomes clear the plotters will kill to keep it hidden.

Twintuition: Double Vision

One week after their eleventh birthday, the Fowl twins--scientist Myles, and Beckett, the force of nature--are left in the care of house security (NANNI) for a single night. In that time they befriend a troll who has clawed his way through the earth's crust to the surface. Unfortunately for the troll, he is being chased by a nefarious nobleman and an interrogating nun, who both need the magical creature for their own gain, as well as a fairy-in-training who has been assigned to protect him. The boys and their new troll best friend escape and go on the run. Along the way they get shot at, kidnapped, buried, arrested, threatened, killed (temporarily), and discover that the strongest bond in the world is not the one forged by covalent electrons in adjacent atoms, but the one that exists between a pair of twins.

The Power Twins

“ . . . an impressive, commanding novel about black girl magic . . . The Goddess Twins is an emotive and powerful feminist novel that inspires the innate goddess in every girl..” —Foreword Reviews “Family bonds create the magic in this stirring fantasy.” —Kirkus Reviews It’s days before your eighteenth birthday, but your mother is missing and suddenly you have supernatural powers. What are you willing to face to discover the truth of who you really are? After years of traveling the world, black identical twins Aurora and Arden think they’ve settled into normalcy in Ohio. But days before their eighteenth birthday, the snarky twins develop powers in telekinesis and telepathy—at the same time that their famous mother, who’s on tour in London, disappears. Searching for answers and determined to rescue her, the sisters unearth truths that threaten to extinguish their bond and demolish their strength as individuals. Can they trust their beguiling, newly discovered British cousins when they barely trust one another? Should they heed the warnings of their immortal grandmother, a Patoi-chatting goddess, who says she’s friendly with The Fates and can see inside a person’s very soul? In order to succeed in their quest, these goddess twins must work together, master their powers, and unveil a horrifying, century-old family mystery. Otherwise, they may not live to see eighteen—or their mother again.

My Evil Twin Is a Supervillain

#1 New York Times Bestseller Oprah's Book Club Selection The “extraordinary . . . monumental masterpiece” (Booklist) that changed the course of Ken Follett’s already phenomenal career. Look out for the prequel, *The Evening and the Morning*, coming from Viking in September 2020. “Follett risks all and comes out a clear winner,” extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett’s unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett’s historical masterpiece.

The God of Small Things

Eco-terrorists are on the loose in California, and they intend to set off the biggest earthquake in the state's history to prove a point, unless FBI agent Judy Maddox can stop them. Reprint.

The Third Twin

"Matilda Goodman is an underemployed wedding photographer grappling with her failure to live as an artist and the very bad lie she has told her boyfriend (that she has a dead twin). Harry, her (totally alive) brother, is an untenured professor of literature, anxiously contemplating his publishing status (unpublished) and sleeping with a student. When Matilda invites her boyfriend home for Thanksgiving to meet the family, and when Harry makes a desperate-- and unethical-- move to save his career, they set off an avalanche of shame, scandal, and drunken hot tub revelations that force them to examine the truth about who they really are" -- Page [4] of cover.

The Phantom Twin

From the Booker Prize winning author of Amsterdam, a brilliant new novel. On the hottest day of the summer of 1935, thirteen-year-old Briony Tallis sees her sister Cecilia strip off her clothes and plunge into the fountain in the garden of their country house. Watching her is Robbie Turner, son of the Tallis's cleaning lady, whose education has been subsidized by Cecilia's and Briony's father, and who, like Cecilia, has recently come down from Cambridge. By day's end, their lives will be changed - irrevocably. Robbie and Cecilia will have crossed a boundary they had not imagined at its start. And Briony will have witnessed mysteries, seen an unspeakable word, and committed a crime for which she will spend the rest of her life trying to atone... Brilliant and utterly enthralling in its depiction of love and war and class and childhood and England, An

Atonement is a profound – and profoundly moving – exploration of shame and forgiveness, of atonement and of the possibility of absolution.

Bad Twin

JUDE DEVERAUX entwines the frontier adventures of two unforgettable sisters -- demure beauty Houston Chandler and her independent, hot-tempered twin Blair -- discover heartfelt passions as powerfully as compelling as ice and fire. Twin of Fire While dreaming of practicing medicine, Blair falls in love with her placid sister's fiancé, himself a doctor. Blair's impetuous spirit has won her a medical degree in a man's world -- and captured Lee Westfield's heart. But even as the couple's ardor grows, there are nights when Lee disappears only to return exhausted, haunted. His silence imperils their love, but the truth would imperil her life.

The Twin

Ken Follett's magnificent new historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . . Look out for Ken's newest book, *A Column of Fire*, available now.

The Divided Twin

When Luke is confronted with Stellar, his superpowered twin from another dimension, he is highly suspicious. No one travels through time and space without a plan, and that plan is usually EVIL. So what does Stellar want? And why is he so UNBELIEVABLY IRRITATING? From his superhero hair to his rocket-powered shoes, Stellar is up to no good, and Luke must BRING HIM DOWN! *My Evil Twin Is a Supervillain* is the third installment of Luke's laugh-out-loud adventures. From the author of *My Brother Is a Superhero*, winner of the Waterstones Children's Book Prize and the British Book Industry Awards Children's Book of the Year. "You know a book is going to be good when you're giggling after five minutes Ideal for comic

readers and superhero experts." - The Independent "Brilliantly funny." - The Bookseller "Expect utterly incredible battles fought with imagination-boggling superpowers, a stolen spacecraft disguised as a suite of bedroom furniture, tragedy, betrayal, heroism and an interdimensional toilet. Packed with more bad jokes than any superhero story should allow, this is the third of a series which, although it can be read as a stand-alone story, is likely to be enjoyed most if you have read the first two." - BookTrust "Solomons has his finger firmly on the pulse of middle grade readers as he packs his super-charged space odyssey with energy, outrageous plot twists, dollops of brilliant satirical humour and moments of heart-melting emotion." - Blackpool Gazette

The Twins

In the tradition of *The Nightingale*, *Sarah's Key*, and *Lilac Girls*, comes a saga inspired by true events of a Holocaust survivor's quest to return to Poland and fulfill a promise, from Ronald H. Balson, author of the international bestseller *Once We Were Brothers*. ~ ~ "Readers who crave more books like Balson's *Once We Were Brothers* and Kristin Hannah's bestselling *The Nightingale* will be enthralled by Karolina's *Twins*." —Booklist (starred review) "A heart-wrenching but ultimately triumphant story." —Chicago Tribune ~ ~ She made a promise in desperation Now it's time to keep it Lena Woodward, elegant and poised, has lived a comfortable life among Chicago Society since she immigrated to the US and began a new life at the end of World War II. But now something has resurfaced that Lena cannot ignore: an unfulfilled promise she made long ago that can no longer stay buried. Driven to renew the quest that still keeps her awake at night, Lena enlists the help of lawyer Catherine Lockhart and private investigator Liam Taggart. Behind Lena's stoic facade are memories that will no longer be contained. She begins to recount a tale, harkening back to her harrowing past in Nazi-occupied Poland, of the bond she shared with her childhood friend Karolina. Karolina was vivacious and beautiful, athletic and charismatic, and Lena has cherished the memory of their friendship her whole life. But there is something about the story that is unfinished, questions that must be answered about what is true and what is not, and what Lena is willing to risk to uncover the past. Has the real story been hidden these many years? And if so, why? Two girls, coming of age in a dangerous time, bearers of secrets that only they could share. Just when you think there could not be anything new to ferret out from World War II comes *Karolina's Twins*, a spellbinding new novel by the bestselling author of *Once We Were Brothers* and *Saving Sophie*. In this richly woven tale of love, survival and resilience during some of the darkest hours, the unbreakable bond between girlhood friends will have consequences into the future and beyond.

The Modigliani Scandal

NEW YORK TIMES BESTSELLER Scotland, 1766. Sentenced to a life of misery in the brutal coal mines, twenty-one-year-old Mack McAsh hungers for escape. His only ally: the beautiful, highborn Lizzie Hallim, who is trapped in her own kind of hell.

Though separated by politics and position, these two restless young people are bound by their passionate search for a place called freedom. From the teeming streets of London to the infernal hold of a slave ship to a sprawling Virginia plantation, Ken Follett's turbulent, unforgettable novel of liberty and revolution brings together a vivid cast of heroes and villains, lovers and rebels, hypocrites and hell-raisers—all propelled by destiny toward an epic struggle that will change their lives forever.

The Goddess Twins

They were inseparable until an innocent mistake tore them apart. Growing up, Viola and Issy clung to each other in the wake of their mother's eccentricity, as she dragged them from a commune to a tiny Welsh village. They thought the three of them would be together forever. But an innocent mistake one summer set them on drastically different paths. Now in their twenties, Issy is trying to hold together a life as a magazine art director, while Viola is slowly destroying herself, consumed with guilt over the events they unknowingly set into motion as children. When it seems that Viola might never recover, Issy returns to the town they haven't seen in a decade, to face her own demons and see what answers, if any, she can find. A deeply moving, gripping debut, this is a novel about the secrets we carry, and the bonds between twins.

Twin of Fire

When his twin brother dies in a car accident, Helmer is obliged to return to the small family farm. He resigns himself to taking over his brother's role and spending the rest of his days 'with his head under a cow'. After his old, worn-out father has been transferred upstairs, Helmer sets about furnishing the rest of the house according to his own minimal preferences. 'A double bed and a duvet', advises Ada, who lives next door, with a sly look. Then Riet appears, the woman once engaged to marry his twin. Could Riet and her son live with him for a while, on the farm?'The Twin' is an ode to the platteland, the flat and bleak Dutch countryside with its ditches and its cows and its endless grey skies. Ostensibly a novel about the countryside, as seen through the eyes of a farmer, 'The Twin' is, in the end, about the possibility or impossibility of taking life into one's own hands. It chronicles a way of life which has resisted modernity, is culturally apart, and yet riven with a kind of romantic longing. --This text refers to an out of print or unavailable edition of this title.

Becoming Nicole

In his own bestselling tradition of *Eye of the Needle* and *The Key to Rebecca*, Ken Follett delivers a breathtaking novel of suspense set in the most dangerous days of World War II. D-Day is approaching. They don't know where or when, but the Germans know it'll be soon, and for Felicity "Flick" Clariet, the stakes have never been higher. A senior agent in the ranks of

the Special Operations Executive (SOE) responsible for sabotage, Flick has survived to become one of Britain's most effective operatives in Northern France. She knows that the Germans' ability to thwart the Allied attack depends upon their lines of communications, and in the days before the invasion no target is of greater strategic importance than the largest telephone exchange in Europe. But when Flick and her Resistance-leader husband try a direct, head-on assault that goes horribly wrong, her world turns upside down. Her group destroyed, her husband missing, her superiors unsure of her, her own confidence badly shaken, she has one last chance at the target, but the challenge, once daunting, is now near impossible. The new plan requires an all-woman team, none of them professionals, to be assembled and trained within days. Code-named the Jackdaws, they will attempt to infiltrate the exchange under the noses of the Germans—but the Germans are waiting for them now and have plans of their own. There are secrets Flick does not know—secrets within the German ranks, secrets among her hastily recruited team, secrets among those she trusts the most. And as the hours tick down to the point of no return, most daunting of all, there are secrets within herself. . . . Filled with the powerful storytelling, unforgettable characters, and authentic detail that have become his hallmarks, Jackdaws is Ken Follett writing at the height of his powers.

The Poisonwood Bible

Uncle Grigorian, who turns out to be an alien, takes the Price twins and their cousin Tubs to the capital of the Galactic Empire, where they serve as unbiased arbitrators in the Worm War.

Third Twin

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The Ice Twins

'Let's have all the skeletons out of the closet, today, of all days!' It's 23 April, Shakespeare's birthday. In Brixton, Nora and

Dora Chance – twin chorus girls born and bred south of the river – are celebrating their 75th birthday. Over the river in Chelsea, their father and greatest actor of his generation Melchior Hazard turns 100 on the same day. As does his twin brother Peregrine. If, in fact, he's still alive. And if, in truth, Melchior is their real father after all. A big, bawdy tangle of theatrical joy and heartbreak, *Wise Children* is a celebration of show business, family, forgiveness and hope. Expect showgirls and Shakespeare, sex and scandal, music, mischief and mistaken identity – and butterflies by the thousand. Emma Rice (*Romantics Anonymous*, *Tristan & Yseult*, *The Flying Lovers of Vitebsk* and *Brief Encounter*) brings her unique, exuberantly impish vision to Angela Carter's great last novel, *Wise Children*, launching her new theatre company of the same name and its London residency at The Old Vic.

The Pillars of the Earth

From Ken Follett—the #1 name in electrifying international suspense—comes a remarkable novel of intrigue and doomsday possibilities. The world's balance of power is about to shift dangerously as the ultimate weapon nears completion in a secret facility in the heart of the desert. Across the globe, operatives from the great nations set a deadly game in motion, covertly maneuvering pawns and kings to achieve a frightening advantage—while terrorists and their hunters prepare for the contest's final, bloody moves. And one man—a razor-sharp master of disguise, deceit, and triple-cross—must somehow do the impossible: steal 200 tons of uranium without any of the other players discovering the theft. The clock is ticking. And the price of failure is Apocalypse.

Atonement

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Fall of Giants

Set in the fictional town of Castle Rock, Maine A “wondrously frightening” (Publishers Weekly) tale of terror and #1 national bestseller about a writer’s pseudonym that comes alive and destroys everyone on the path that leads to the man who created him. Thad Beaumont is a writer, and for a dozen years he has secretly published violent bestsellers under the name of George Stark. But Thad is a healthier and happier man now, the father of infant twins, and starting to write as himself again. He no longer needs George Stark and so, with nationwide publicity, the pseudonym is retired. But George Stark won’t go willingly. And now Thad would like to say he is innocent. He’d like to say he has nothing to do with the twisted imagination that produced his bestselling novels. He’d like to say he has nothing to do with the series of monstrous murders that keep coming closer to his home. But how can Thad deny the ultimate embodiment of evil that goes by the name he gave it—and signs its crimes with Thad’s bloody fingerprints? The Dark Half is “a chiller” (The New York Times Book Review), so real and fascinating that you’ll find yourself squirming in Stephen King’s heart-stopping, blood-curdling grip—and loving every minute of it.

The Fowl Twins

Identical twins Aaron and Branson Kovak are in their final year of college--Aaron's in Ohio, while Branson remains in their home state of Wyoming. There's also the third twin, David, who only exists in one of their minds. Despite the distance between them, Aaron and Branson are united by a turbulent childhood they survived together. As they enter adulthood, David comes out of the shadows to wreak havoc on the real world--his idea of fun. When their mom is diagnosed with cancer, the ties that bind the twins incite David to tear them apart at the seams. Will they stand or fall together, or separately?

The Twin

A young woman is haunted by the ghost of her conjoined twin, in Lisa Brown's The Phantom Twin, a sweetly spooky graphic novel set in a turn-of-the-century sideshow. Isabel and Jane are the Extraordinary Peabody Sisters, conjoined twins in a traveling carnival freak show—until an ambitious surgeon tries to separate them and fails, causing Jane's death. Isabel has lost an arm and a leg but gained a ghostly companion: Her dead twin is now her phantom limb. Haunted, altered, and alone for the first time, can Isabel build a new life that's truly her own?

Wise Children

Barbara Kingsolver's acclaimed international bestseller tells the story of an American missionary family in the Congo during a poignant chapter in African history. It spins the tale of the fierce evangelical Baptist, Nathan Price, who takes his wife and

four daughters on a missionary journey into the heart of darkness of the Belgian Congo in 1959. They carry with them to Africa all they believe they will need from home, but soon find that all of it - from garden seeds to the King James Bible - is calamitously transformed on African soil. Told from the perspective of the five women, this is a compelling exploration of African history, religion, family, and the many paths to redemption. The Poisonwood Bible was nominated for the Pulitzer Prize in 1999 and was chosen as the best reading group novel ever at the Penguin/Orange Awards. It continues to be read and adored by millions worldwide.

Karolina's Twins

In the tradition of *The Girl on the Train* comes the UK bestseller *THE ICE TWINS*, a terrifying psychological thriller with a twisting plot worthy of Gillian Flynn. One of Sarah's daughters died. But can she be sure which one? A year after one of their identical twin daughters, Lydia, dies in an accident, Angus and Sarah Moorcroft move to the tiny Scottish island Angus inherited from his grandmother, hoping to put together the pieces of their shattered lives. But when their surviving daughter, Kirstie, claims they have mistaken her identity--that she, in fact, is Lydia--their world comes crashing down once again. As winter encroaches, Angus is forced to travel away from the island for work, Sarah is feeling isolated, and Kirstie (or is it Lydia?) is growing more disturbed. When a violent storm leaves Sarah and her daughter stranded, they are forced to confront what really happened on that fateful day.

The Third Twin

In this twisty psychological thriller from the #1 New York Times bestselling author of *THE CELLAR*, Ivy finds out that her twin sister, Iris, is trying to push her out of her own life--and might be responsible for their mother's death. After their parents divorced, 10-year-old twins Ivy and Iris were split up--Ivy lived with Dad, Iris with Mom. Now, after a tragic accident takes their mom's life, the twins are reunited and Iris moves in with Ivy and their dad. Devastated over Mom's death, Iris spends the first few weeks in almost total silence--the only person she will speak to is Ivy. Iris feels her life is over and she doesn't know what to do. Emmy promises her twin that she can share her life now. After all, they're sisters. Twins. It's a promise that Iris takes seriously. And before long, Ivy's friends, her life at school, and her boyfriend, Tyler, fall under Iris's spell. Slowly, Ivy realizes she's being pushed out of her own life. But she's just being paranoid, right? And Mom's accident was . . . just an accident. Right? It's not like she--or Dad--or Tyler--are in any danger. . . .

The Solitary Twin

The third twin could be your lover, your friend . . . or your killer. In the course of her work, scientist Jeannie Ferrami

stumbles across a baffling mystery: Steve and Dan appear to be identical twins, but were born on different days, to different mothers. A law student and a convicted murderer, they seem a world apart, but as Jeannie begins to fall in love with Steve, she finds her professional - and personal - future threatened. Steve is accused of a terrible crime, and Jeannie is forced to question just how different the two men really are. Together, she and Steve investigate the mystery and uncover all the secrets. But perhaps some secrets are best left alone. A thrilling, chilling story of hidden evil, set at the forefront of modern technology, *The Third Twin* is a heart-stopping, spine-tingling story from master of suspense, Ken Follett.

Hey Harry, Hey Matilda

The crucial sequel to the New York Times bestselling *The Secret History of Twin Peaks*, this novel bridges the two series, and takes you deeper into the mysteries raised by the new series. The return of *Twin Peaks* is one of the most anticipated events in the history of television. The subject of endless speculation, shrouded in mystery, fans will come flocking to see Mark Frost and David Lynch's inimitable vision once again grace the screen. Featuring all the characters we know and love from the first series, as well as a list of high-powered actors in new roles, the show will be endlessly debated, discussed, and dissected. While *The Secret History of Twin Peaks* served to expand the mysteries of the town and place the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, *Twin Peaks: The Final Dossier* tells us what happened to key characters in the twenty-five years in between the events of the first series and the second, offering details and insights fans will be clamoring for. The novel also adds context and commentary to the strange and cosmic happenings of the new series. For fans around the world begging for more, Mark Frost's final take laid out in this novel will be required reading.

Triple

A captivating and poignant coming-of-age urban YA debut about sisters, friends, and what it means to embrace change.

Jackdaws

From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. *The Secret History of Twin Peaks* enlarges the world of the original series, placing the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.

The Dark Half

NEW YORK TIMES BESTSELLER • The inspiring true story of transgender actor and activist Nicole Maines, whose identical twin brother, Jonas, and ordinary American family join her on an extraordinary journey to understand, nurture, and celebrate the uniqueness in us all. Nicole appears as TV's first transgender superhero on CW's Supergirl When Wayne and Kelly Maines adopted identical twin boys, they thought their lives were complete. But by the time Jonas and Wyatt were toddlers, confusion over Wyatt's insistence that he was female began to tear the family apart. In the years that followed, the Maineses came to question their long-held views on gender and identity, to accept Wyatt's transition to Nicole, and to undergo a wrenching transformation of their own, the effects of which would reverberate through their entire community. Pulitzer Prize-winning journalist Amy Ellis Nutt spent almost four years reporting this story and tells it with unflinching honesty, intimacy, and empathy. In her hands, *Becoming Nicole* is more than an account of a courageous girl and her extraordinary family. It's a powerful portrait of a slowly but surely changing nation, and one that will inspire all of us to see the world with a little more humanity and understanding. Named One of the Ten Best Books of the Year by *People* • One of the Best Books of the Year by *The New York Times Book Review* and *Men's Journal* • A Stonewall Honor Book in Nonfiction • Finalist for the Lambda Literary Award for Transgender Nonfiction "Fascinating and enlightening."—Cheryl Strayed "If you aren't moved by *Becoming Nicole*, I'd suggest there's a lump of dark matter where your heart should be."—*The New York Times* "Exceptional . . . 'Stories move the walls that need to be moved,' Nicole told her father last year. In telling Nicole's story and those of her brother and parents luminously, and with great compassion and intelligence, that is exactly what Amy Ellis Nutt has done here."—*The Washington Post* "A profoundly moving true story about one remarkable family's evolution."—*People* "Becoming Nicole is a miracle. It's the story of a family struggling with—and embracing—a transgender child. But more than that, it's about accepting one another, and ourselves, in all our messy, contradictory glory."—Jennifer Finney Boylan, former co-chair of GLAAD and author of *She's Not There: A Life in Two Genders*
