### **The Big Miss**

An educator, top-ranked college ball player and Green Beret who served in Vietnam, Earl Woods reveals the instruction and training secrets that went into raising a child who might be the greatest golfer ever. His teaching method starts with the simplest swings: Putting, chipping and pitching, and doesn't introduce the full swing until the basics have been mastered. The book includes dozens of games and competitions to make golf fun and interesting, teaches mental toughness and emphasizes skills, posture, balance, set-up and grip. There are also some subtler points for parents to consider: when and how to introduce golf (or any sport) to their child; how to lay the groundwork for open communication; and how to cultivate the right attitude toward competition. Through an intelligent mix of instruction, humor and common sense, Training a Tiger helps parents everywhere lead their kids to love the game, and to play it with confidence, patience, proficiency and passion.

### **The Soul of Tiger Woods**

The #1 New York Times bestseller that has all America talking: as seen/heard on Morning Joe, CBS This Morning, The Bill Simmons Podcast, Rich Roll, and more. Shortlisted for the Financial Times/McKinsey Business Book of the Year Award "The most important business—and parenting—book of the year." —Forbes "Urgent and important. . . an essential read for bosses, parents, coaches, and anyone who cares about improving performance." —Daniel H. Pink "So much crucial and revelatory information about performance, success, and education." —Susan Cain, bestselling author of Quiet "As David Epstein shows us, cultivating range prepares us for the wickedly unanticipated... a well-supported and smoothly written case on behalf of breadth and late starts." —Wall Street Journal Plenty of experts argue that anyone who wants to develop a skill, play an instrument, or lead their field should start early, focus intensely, and rack up as many hours of deliberate practice as possible. If you dabble or delay, you'll never

catch up to the people who got a head start. But a closer look at research on the world's top performers, from professional athletes to Nobel laureates, shows that early specialization is the exception, not the rule. David Epstein examined the world's most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle many interests rather than focusing on one. They're also more creative, more agile, and able to make connections their more specialized peers can't see. Provocative, rigorous, and engrossing, *Range* makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans, people who think broadly and embrace diverse experiences and perspectives will increasingly thrive.

### **Tiger Woods Fan Guide**

#### **Unprecedented**

Focuses on the career of the young man whose mental, emotional, and physical talents enabled him to surpass his own expectations and become a golf superstar.

#### **Are You Kidding Me?**

A National Book Award finalist by Newbery Medalist Kate DiCamillo. Walking through the misty Florida woods one morning, twelve-year-old Rob Horton is stunned to encounter a tiger—a real-life, very large tiger—pacing back and forth in a cage. What's more, on the same extraordinary day, he meets Sistine Bailey, a girl who shows her feelings as readily as Rob hides his. As they learn to trust each other, and ultimately, to be friends, Rob and Sistine prove that some things—like memories, and heartache, and tigers—can't be locked up forever. Featuring a new cover illustration by Stephen Walton and an excerpt of Kate DiCamillo's newest novel, *Raymie Nightingale*.

#### **The 1997 Masters**

More and more parents are taking their children out onto the golf course, yet few of them are effective teachers or coaches. With this book, Tiger Woods' childhood golf instructor, Rudy Duran, instructs parents on how to nurture confidence and enthusiasm in young players. Golf can be a frustrating and complex game, and beginners, especially children and young adults, can easily become disheartened and

overwhelmed. Children are naturally optimistic, which makes them terrific learners. Duran discusses how parents can preserve and foster their child's positive outlook, and keep out the negative qualities that end up plaguing so many golfers. Duran cultivates players' enthusiasm by making lessons fun, and basic. With anecdotes and step-by-step techniques, he offers a formula for parents who are struggling to find the balance between encouraging and instructing their children in the world of golf.

### **Tiger Woods**

A biography of Tiger Woods, son of an Asian mother and an African-American father and the youngest golfer to ever win the Masters Tournament.

### **Range**

June 2008's US Open produced one of the most unexpected and dramatic showdowns in golf history. Day after day the invincible Tiger Woods was challenged by Rocco Mediate, a respected journeyman. On Sunday, both ended play tied at par, forcing a playoff. Defying expectations, Mediate played Woods to yet another tie, losing only after forcing a sudden-death showdown. Through it all, Rocco Mediate emerged as one of the most likable, open, and fascinating golfers. In *Are You Kidding Me?*, he tells the full story of these five life-changing days. With John Feinstein, whose insider knowledge of the golf world is unparalleled, Mediate relives one of sport's greatest feats, how one man overcame every obstacle to challenge the game's finest.

### **The Tiger Rising**

NEW YORK TIMES BESTSELLER Now for the first time, Tiger Woods reflects on his record-setting win at the 1997 Masters -- both on and off the course. In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports. Now, 20 years later, Woods is ready to explore his history with the game, how it has changed over the years, and what it was like winning such an important event. With never-before-heard stories, this book provides keen insight from one of the game's all-time greats. Praise for *The 1997 Masters* "Woods writes with absorbing focus and profound emotion." -Publishers Weekly "A vivid and ultimately satisfying read." - Bookpage "As vivid on the printed page as it was in person." - GolfDigest "Provides a rare perspective of golf played at the highest level." -Kirkus

### **The Chosen One**

At the heart of Tiger Woods' accomplishments is the special bond he shares with his father, mentor and first golf coach, Earl Woods. In *Playing Through*, Tiger's dad shares the never-before-told story of the Woods family. Part autobiography and part ultimate insider's biography of Tiger, *Playing Through* is Earl Woods' opportunity to have his say and pass on lessons he has learned along the way. For the first time, Earl faces the critics and cynics, addressing head-on the controversies and rumors that have grabbed headlines. In this brutally honest account of life with Tiger, Earl reveals how Tiger struggled to adapt to life as a pro, the racial attacks and hate mail, the painful sacrifices the family made throughout the years and the real reasons Tiger left Stanford after just two years. He also tells the untold story of what happened the night before Tiger's Masters' victory and the unique philosophy behind all of Tiger's actions, professional and personal. Earl also shares his own stunning story. Raised by his sister after losing both of his parents by the time he was 13, he chose the military over a promising baseball career. He reveals the racial barriers that tortured him throughout his Army days, how he found his calling in the Green Berets and shocking details about his two tours of duty in Vietnam, where he met and befriended the original "Tiger," for whom his famous son is named. Woven throughout his recollections is the legacy of his mother and the lessons she imparted to him about family, faith and hard work -- all of which helped Earl to nurture and guide his son's talent. A tribute to Tiger, to the powerful role of family and the bonds between fathers and sons and to the sport that has made so much possible for the Woods family, Earl's words will inspire all of us to work hard, dream big and "play through" life's challenges.

### **Tiger Woods**

The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six-year journey with Tiger Woods, during which the supremely gifted golfer collected six major championships and rewrote golf history. Hank was one of the very few people allowed behind the curtain. He was with Tiger 110 days a year, spoke to him over 200 days a year, and stayed at his home up to 30 days a year, observing him in nearly every circumstance: at tournaments, on the practice range, over meals, with his wife, Elin, and relaxing with friends. The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach. It was a call that would change both men's lives. Tiger--only 28 at the time--was by then already an icon, judged by the sporting press as not only one of the best golfers ever, but possibly the best athlete ever. Already he was among the world's highest paid celebrities. There was an air of mystery surrounding him, an aura of invincibility. Unique among athletes, Tiger seemed to be able to shrug off any level of pressure and find a way to win. But Tiger was always looking to improve, and he wanted Hank's help. What Hank soon came to appreciate was that Tiger was one of the most complicated individuals

he'd ever met, let alone coached. Although Hank had worked with hundreds of elite golfers and was not easily impressed, there were days watching Tiger on the range when Hank couldn't believe what he was witnessing. On those days, it was impossible to imagine another human playing golf so perfectly. And yet Tiger is human—and Hank's expert eye was adept at spotting where Tiger's perfection ended and an opportunity for improvement existed. Always haunting Tiger was his fear of "the big miss"—the wildly inaccurate golf shot that can ruin an otherwise solid round—and it was because that type of blunder was sometimes part of Tiger's game that Hank carefully redesigned his swing mechanics. Hank's most formidable coaching challenge, though, would be solving the riddle of Tiger's personality. Wary of the emotional distractions that might diminish his game and put him further from his goals, Tiger had developed a variety of tactics to keep people from getting too close, and not even Hank—or Tiger's family and friends, for that matter—was spared "the treatment." Toward the end of Tiger and Hank's time together, the champion's laser-like focus began to blur and he became less willing to put in punishing hours practicing—a disappointment to Hank, who saw in Tiger's behavior signs that his pupil had developed a conflicted relationship with the game. Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training, and—in a development Hank didn't see coming—in the scandal that would make headlines in late 2009. It all added up to a big miss that Hank, try as he might, couldn't save Tiger from. There's never been a book about Tiger Woods that is as intimate and revealing—or one so wise about what it takes to coach a superstar athlete.

### **Dear Tiger: A Book for Tiger Woods and for Us All**

This book, with more than 100 full-color photos, describes not only Tiger Woods's two Open triumphs, but also his PGA Championship and Canadian Open victory.

### **Start Something**

This exciting behind-the-scenes examination of golf champion Tiger Woods looks specifically at the most crucial time in Woods's young career: the enormous pressure he was under to win his 3rd straight U.S. Amateur title; his decision to turn professional; & his stunning initial success, winning two PGA titles in just seven outings. The author is award-winning golf writer Tim Rosaforte, a senior writer at Sports Illustrated, who has closely followed his subject since Tiger was 14 & first competed in the PGA Junior Championship. Rosaforte captures Woods from the day Tiger's father first put a gold club in the young boy's hands, through his remarkable amateur victories, to his heralded emergence on the regular PGA Tour in 1996. Color photos.

### **Playing Through**

For the first time, champion Tiger Woods reveals the five secrets to his amazing success--a combination of physical, metaphysical and psychological practices he uses daily to keep his game in top shape.

### **In Every Kid There Lurks A Tiger**

"I challenge you to make a difference in the world, to reach higher and farther than you ever imagined. I challenge you to start something." -- Tiger Woods, from the foreword

Are you ready for a challenge? Are you ready to make a real difference in your life, and the world around you? You can do it even if you're not Tiger Woods. You can be a winner at school, and with your friends, your family, your team. You can be the superstar of your own life. And you can start today. Tiger didn't start out as a champion. But his father Earl taught him unforgettable lessons about dreaming big, reaching goals, and believing with all his heart that anything is possible. He showed Tiger that anyone can make a difference in the world by reaching out and caring about others. And now Tiger's dad is sharing those lessons and ideas with you, so you can be a champion at whatever you do. Earl Woods and the Tiger Woods Foundation want you to Start Something. In this book you'll find dozens of ways you can start something new, and make the world a better place one step at a time. Some are about action, and some will just give you something to think about. Help a little kid clean up a park • settle an argument • write down one thing each day that you're proud of • donate school supplies to a needy school • ask your parents about their day • include the kid who always gets left out • refuse to give up • and much more Try a few or try them all. Just try. Dare to set an example that others can follow. Dare to be great. Dare to set goals that only you can achieve. Packed with Tiger-tested advice and creative ideas for helping others, this book offers powerful insight into how you can build the kind of confidence that makes Tiger great, create goals that can help you make your way in the world, and take practical steps when you find yourself feeling overwhelmed. As Earl writes, "You are a miracle, and you can make miracles happen. Celebrate yourself, for all the things that make you special and unique. Remember: Anyone can be part of the pack, but there is only one of you."

### **Tiger Woods**

All eat from the bowl of life. Tiger Woods just has a bigger spoon. So writes Curt Sampson in his ground-breaking account of the current state of golf. Tiger Woods has changed golf forever. His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan. Like Jordan, Woods' competitive signature is equal parts inspiration and intimidation. But what about the other guys? It's either catch up or give up for the rest of the golfing world, and in Chasing Tiger Curt Sampson exuberantly charts the state of the game as the new century unfolds. There are Duval and Mickelson and a host of other stars, of

course, but there are also the junior golfers and their parents, corporate America, agents, instructors, fans, and the media. Just as he did in his controversial bestsellers *Hogan* and *The Masters*, Sampson digs deep to uncover stories that wouldn't otherwise be told. There's the golf course employee in Austin whose admiration for Woods leads him to spend every waking minute mimicking his hero (including the trademark pumping fist, only here it's on the practice green). There's the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site, [Tigerwoods.isgod.com](http://Tigerwoods.isgod.com). At the other end of the scale is Charles Howell III, skinny as a 2-iron, a up-and-coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods. Howell is the anti-Tiger: a man unfailingly friendly to fans and media, recently married, opinionated, and entirely lacking in caution, yet he struggles to earn enough money to make the Tour. Curt Sampson has written an affectionate yet wary account of one extraordinary man's impact on the world of sport. By turns moving, hilarious, and eye-opening, *Chasing Tiger* is a wonderful addition to the golf canon.

### **Live Love Tiger Woods Journal**

NEW YORK TIMES BESTSELLER "Reilly pokes more holes in Trump's claims than there are sand traps on all of his courses combined. It is by turns amusing and alarming." -- *The New Yorker* "Golf is the spine of this shocking, wildly humorous book, but humanity is its flesh and spirit." -- *Chicago Sun-Times* "Every one of Trump's most disgusting qualities surfaces in golf." -- *The Ringer* An outrageous indictment of Donald Trump's appalling behavior when it comes to golf -- on and off the green -- and what it reveals about his character. Donald Trump loves golf. He loves to play it, buy it, build it, and operate it. He owns 14 courses around the world and runs another five, all of which he insists are the best on the planet. He also claims he's a 3 handicap, almost never loses, and has won an astonishing 18 club championships. How much of all that is true? Almost none of it, acclaimed sportswriter Rick Reilly reveals in this unsparing look at Trump in the world of golf. Based on Reilly's own experiences with Trump as well as interviews with over 100 golf pros, amateurs, developers, and caddies, *Commander in Cheat* is a startling and at times hilarious indictment of Trump and his golf game. You'll learn how Trump cheats (sometimes with the help of his caddies and Secret Service agents), lies about his scores (the "Trump Bump"), tells whoppers about the rank of his courses and their worth (declaring that every one of them is worth \$50 million), and tramples the etiquette of the game (driving on greens doesn't help). Trump doesn't brag so much, though, about the golf contractors he stiffes, the course neighbors he intimidates, or the way his golf decisions wind up infecting his political ones. For Trump, it's always about winning. To do it, he uses the tricks he picked up from the hustlers at the public course where he learned the game as a college kid, and then polished as one of the most bombastic businessmen of our time. As Reilly writes, "Golf

is like bicycle shorts. It reveals a lot about a man." Commander in Cheat "paints a side-splitting portrait of a congenital cheater" (Esquire), revealing all kinds of unsightly truths Trump has been hiding.

### **Roaring Back**

Great competitor, top shotmaker, the only player to win the U.S. Amateur three times, a smashing first year on the pro tour at age 20—Tiger Woods is a sports phenomenon. Now discover how he did it and what it cost him in a riveting story that captures the heart and soul of a magnificent American athlete. —The poignant love story behind his parents' marriage and a soldier's promise to name his son "Tiger" —A son's talent, a father's ambitions, and the tough mental games geared to either break him or make him a champion —The truth about college and his decision to go pro —A revealing close-up of Tiger under pressure, his most dramatic play-offs, and his worst rookie-year mistake —The big money: \$40 million Nike deal and the hot Titleist contract —The race card—who played it and why—and how Tiger changed the game forever —His journey to the 1997 Masters and a spot on the U.S. Ryder Cup Team

### **The Heart of a Golfer**

"Fascinating[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others." —The Wall Street Journal It's one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner's circle was only half the story. Here's the rest of it. Tiger Woods's long descent into a personal and professional hell reached bottom in the early hours of Memorial Day in 2017. Woods's DUI arrest that night came on the heels of a desperate spinal surgery, just weeks after he told close friends he might never play tournament golf again. His mug shot and alarming arrest video were painful to look at and, for Woods, a deep humiliation. The former paragon of discipline now found himself hopelessly lost and out of control, exposed for all the world to see. That episode could have marked the beginning of Tiger's end. It proved to be the opposite. Instead of sinking beneath the public disgrace of drug abuse and the private despair of a battered and ailing body, Woods embarked on the long road to redeeming himself. In *The Second Life of Tiger Woods*, Michael Bamberger, who has covered Woods since the golfer was an amateur, draws upon his deep network of sources inside locker rooms, caddie yards, clubhouses, fitness trailers, and back offices to tell the true and inspiring story of the legend's return. Packed with new information and graced by insight, Bamberger's story reveals how this iconic athlete clawed his way back to the top. Here you'll meet the people who have shaped and saved Tiger's life. It's a disparate group: a Florida police officer, an old friend from Tiger's boyhood, his girlfriend, his manager, his caddie. You'll go inside the ropes and see Tiger's interactions with fellow pros, with

broadcasters and rules officials and Tour executives, with legends young (Rory McIlroy) and old (Jack Nicklaus) and in between (Fred Couples). On the Sunday before Masters Sunday, you'll join Tiger as he takes a long, slow, contemplative walk across Augusta National, and you'll be with him again seven days later in the splendid isolation of the tee at thirteen, in the rain, his right foot slipping while he swings his driver at 120 miles per hour. This is an intimate portrait of a man who has spent his life in front of the camera but has done his best to make sure he was never really known. Here is Tiger, barefoot, in handcuffs, showing a police officer a witty and self-deprecating side of himself that the public never sees. Here is Tiger on the verge of tears with his children at the British Open. Here is Tiger trying to express his gratitude to his mother at a ceremony at the Rose Garden. In these pages, Tiger is funny, cold, generous, self-absorbed, inspiring—and real. The Second Life of Tiger Woods is not only the saga of an exceptional man but also a celebration of second chances. Bamberger's bracingly honest book is about what Tiger Woods did, and about what any of us can do, when we face our demons head-on.

### **Tiger Woods**

Explores the life and golf career of Tiger Woods.

### **This Golfing Life**

Tom Callahan has written the seminal book on golfing great Tiger Woods. Woods, who has gone out of his way to protect his privacy, has never allowed himself to get close enough to a writer to be properly examined on the page. And, as a consequence, his fans know relatively little about him except what's divulged in quick tournament interviews or the scarce information parsed out on occasion by one of his handlers. Which is to say, we know next to nothing about one of the most famous people in the world. Callahan, commonly regarded as one of the best all-round sports writers in the country, has followed Tiger around the world of golf for more than seven years, enjoying a certain access to the man and his family. He even went so far as to travel to Vietnam to learn the fate of the South Vietnamese soldier who was Earl Wood's best friend during the war—and his son's namesake. Tiger is twenty years old when the book opens and twenty-seven when it closes. During those years, Callahan covered Woods at all the Majors, including the Masters, the U.S. Open, and the British Open, culminating in Tiger's heart-stopping race to make history by clinching the string of Majors affectionately nicknamed the Tiger Slam. As the pulse of golf was measured by the curve of his swing, Tiger made everyone's heart skip a beat as he attempted to win the Grand Slam a year later. Along the way, Tom Callahan hears from everyone who is anyone in the world of Tiger Woods, including Phil Mickelson, Jack Nicklaus, David Duval, Butch Harmon, Ernie Els, and, of course, Tiger's rather ubiquitous mother and father. As much as we learn about Tiger—how he sees himself in relation to the courses he

plays on and the players he has learned from and competed with—we also enjoy a bird’s-eye view of golf as it is now with Tiger on the scene, and as it was for centuries before. In Search of Tiger catalogs and dissects moments and influences in Tiger’s guarded life and unprecedented career—moments that unveil him, his awesome drive, and his enormous talent. Tom Callahan has written a classic of its kind, a book to rank with the best in its genre. He has done what few have even attempted— he has found the real Tiger Woods.

### **Positive Mind, Healthy Heart**

Soon to be an HBO documentary from Academy Award-winning producer Alex Gibney The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods’s life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf’s most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf’s most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods’s life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest and true” (The Wall Street Journal). Ultimately, Tiger Woods is “a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure” (The New York Times).

### **Tiger Woods**

“Fascinating[Bamberger] knows the world of professional golf, and the pressures it exacts, like few others.” —The Wall Street Journal It’s one of the greatest comebacks of all time. And for Tiger Woods—his game, his body, and his life in shambles—getting back to the winner’s circle was only half the story. Here’s the rest of it. ### **Commander in Cheat**

A Senior PGA touring pro golfer demonstrates how the goals of golfing can be compared to the goals of Christians, sharing parables based on his course experiences while providing practical and inspirational golf advice.

### **How I Play Golf**

A biography of the talented young golfer who won his first U.S. Amateur Championship in 1994 at age 19 and was named Sports Illustrated Sportsman of the Year in 1996.

## **Paper Tiger**

Presents a biography of the professional golfer, who at the age of twenty-one, became the first person of color and the youngest player to win the Masters Golf Tournament.

## **Men in Green**

Presents the life and career of Tiger Woods, the youngest person to win both the United States Amateur Golf Tournament and the Masters Tournament.

## **Chasing Tiger**

Articles and photographs chronicle the young golfer's career from his first appearance in Sports Illustrated in 1990 to his debut season as a professional

## **Tiger Woods**

Traces the author's year-long attempt to earn a competitor's spot at the PGA Tour Qualifying School, an endeavor marked by such challenges as crash diets, sports psychiatrists, and obscure tournaments. 30,000 first printing.

## **Tiger Woods**

The instant New York Times bestseller from acclaimed Sports Illustrated writer Michael Bamberger—a warm, nostalgic, intimately reported account of golf's greatest generation, and “maybe the best golf book I've ever read” (Bill Reynolds, The Providence Journal). With “exceptional insight into some of America's greatest players over the last half-century” (The Philadelphia Inquirer), Men in Green is to golf what Roger Kahn's The Boys of Summer was to baseball: a big-hearted account of the sport's greats, from the household names to the private legends, those behind-the-curtain giants who never made the headlines. Michael Bamberger, who has covered the game for twenty years at Sports Illustrated, shows us the big names as we've never seen them before: Arnold Palmer, Jack Nicklaus, Tom Watson, Curtis Strange, Fred Couples—and the late Ken Venturi. But he also chronicles the legendary figures known only to insiders, who nevertheless have left an indelible mark on the sport. There's a club pro, a teaching pro, an old black Southern caddie. There's a tournament director in his seventies, a TV director in his eighties, and a USGA executive in his nineties. All these figures, from the marquee names to the unknowns, have changed the game. What they all share is a game that courses through their collective veins like a drug. Was golf better back in the day? Men in Green weaves a history of the modern game that is personal, touching, inviting, and new. This meditation on aging and

a celebration of the game is "a nostalgic visit and reminiscence with those who fashioned golf history...and should be cherished" (Golf Digest).

### **Training a Tiger**

Reflections on the game by the Sports Illustrated writer and national-best-selling author of *The Swinger*. Michael Bamberger has lived the game of golf as few others have—from his experience as one of the first white, college-educated caddies in 1985, to hanging out with Arnold Palmer at the Masters. This *Golfing Life* brings together Bamberger's acclaimed, intimate profiles of stars (Tiger, Jack, and Annika to name a few), as well as the behind-the-scenes people who make the game what it is. In his last round of golf before an amputation, Bamberger's high school golf coach, John Sifaneck, makes his first hole-in-one; John Stark gets Bamberger to relearn the game as a Scotsman; Bob Rubin, a Wall Street master-of-the-universe, builds his own golf course—one so difficult he can't break one hundred on it; Bruce Edwards continues to caddie for Tom Watson while dying of ALS (Lou Gehrig's disease). Bamberger interweaves these stories with his own life in a way that will remind golfers why they love the game.

### **Tiger Woods Made Me Look Like a Genius**

Earl Woods, the father of young Eldrick "Tiger" Woods, was widely ridiculed in 1996 when, in an article anointing his son as Sports Illustrated's Sportsman of the Year, he likened Tiger's potential impact to that of a messiah. This unseemly proclamation appeared to embody all the worst elements of the dreaded sports-parent who seeks financial windfall and personal validation by pushing his child to excel on the diamond, the gridiron, the court, or the fairways. But in light of all we know now about Tiger Woods, David Owen asks in *The Chosen One*, who is to say that it wasn't Tiger's transcendent greatness all along that induced his father to guide him, rather than the father pushing the son? Not since the dawn of competitive tournament golf has anyone distanced himself from the rest of the world the way Tiger has. He is the best there is at nearly every aspect of the game: the longest driver, the strongest iron player, the most creative around the greens, and so sharp a clutch putter that when he putts well the tournament is over, and when he putts badly he often wins anyway. He is a breakthrough athlete in a sport remarkably resistant to them; in every tournament, Tiger has to beat a hundred-plus competitors, any of whom can take away a title with a four-day hot streak. When Michael Jordan won all his back-to-back championships, each night he only had to beat one team. Tiger is also a breakthrough athlete as one of the first true multicultural icons. There are African-American, Asian, Native American, and Caucasian elements to his roots; he carries with him parts of so many ethnicities that he not only shatters stereotypes but renders the whole notion of racial classification irrelevant. It is ironic that

such an athlete would emerge in golf, America's most tradition-bound and racially insensitive sport. In *The Chosen One*, gifted essayist David Owen ponders the social, economic, and athletic implications of this amazing young man. We are only beginning to see all the ways that Tiger Woods might reshape the world. Owen's thoughtful, incisive, elegant, and provocative work examines this phenomenon unlike any the fields of play have ever seen, in a book that will stand alongside John McPhee's *A Sense of Where You Are* (about Princeton forward Bill Bradley) among the classic works of sports philosophy.

Here's the problem: 17 million Americans suffer from heart disease, and every year 1 million of them will be just lucky enough to survive a heart attack. They know they must change their lives—their diet, their stress, the amount of exercise they do. And not for a few months, but forever. Most don't do it. What they need, as much as low-fat recipes and fitness plans, is daily motivation—a reassuring yet no-nonsense guide to staying the course to heart health. Here's the solution: From Joseph C. Piscatella, one of the longest-surviving bypass patients in the U.S.—31 years and counting—comes a supportive, generous, think-positive book that shares the secret of his extraordinary success. This is the stuff that kept Joe going—a year-long selection of motivational stories, inspirations, quotes, wisdom, meditations, tips, and more. When it's 5:00 A.M. and raining outside and you're tempted to skip that morning jog, remember "runner" Bob Ireland, a Vietnam vet who lost both legs in the war yet finished the New York marathon using only his arms, the first person ever to do so. Think little things don't make a difference? Take a lesson from golf: An average of less than 1.5 strokes per round in the 2002 season made a \$5.6 million difference in earnings between #1 golfer (Tiger Woods) and #10 golfer (Sergio Ggarcia). And why a book of everyday entries? "People often say that motivation doesn't last. Well, neither does bathing—that's why we recommend it daily."—Zig Ziglar.

Tiger Woods Fan Notebook, very useful for writing diaries and daily journals. You can use it to write down your thoughts, ideas, basically anything. Exclusive Features: 120 Blank Lined White Pages Classic and Portable Practical for both young and adult people An ideal gift for any occasion Premium Matte Cover Design Can be used as a journal, notebook, diary, composition book for school For everyday use Check out our Author's page ( MadeFromHome Publishing ) for more exclusive content.

### **The Second Life of Tiger Woods**

In thirty five letters to Tiger Woods, psychotherapist Bob Beverley

illuminates the possible dynamics behind the fall of Tiger Woods—dynamics that are a part of every human life. He offers wisdom on relationships, affairs and the many ways we cheat ourselves and one another. He explores related issues of guilt, shame, forgiveness, leaving people behind and starting over again. This is a book written for real people with real problems—who want to make their life better. If you want to throw stones at Tiger Woods, do not buy this book. If you want to be wiser about relationships, your inner life and the illusions of our world, buy this book today.

### **In Search of Tiger**

WINNER OF THE 2019, 2005, 2002, 2001 and 1997 MASTERS. In UNPRECEDENTED: ME AND THE MASTERS, Tiger Woods shares in his own words the story of the original Masters tournament that took him to greatness, all of which has paved the way for one of the most phenomenal comebacks in sporting history. 'To come back and win the Masters after all the highs and lows is a testament to excellence, grit and determination' BARACK OBAMA In 1997, Tiger Woods was already among the most watched and closely examined athletes in history. But it wasn't until the Masters Tournament that Tiger Woods's career would definitively change for ever. Tiger Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it arguably among the most seminal events in golf. He was the first African-American/Asian player to win the Masters, and this at the Augusta National Golf Club, perhaps the most exclusive club in the world, and one that had in 1990 admitted its first black member. More than twenty years after his first historic win, Tiger Woods explores his life with the game, with the Masters tournament itself, about how golf has changed over the past twenty years, and what it was like winning such an event. Woods will also open up about his relationship with father Earl Woods, dispelling previous misconceptions, and will candidly reveal many never-before-heard stories. Written by one of the game's all-time greats, this book will provide keen insight on the Masters then and now as well as on the sport itself. 'Greatness like no other' SERENA WILLIAMS

Photographs and text depict Tiger Woods in a variety of settings doing what he does best, winning golf tournaments.

### **Tiger Woods**

The incredible true story of Tiger Woods's dramatic comeback following his humbling and very public personal, physical, and professional setbacks. One publicly imploded marriage. Two car accidents. Eight surgeries. And now, a miracle of hard work and storied talent: five

Masters wins. Once hailed as “the greatest closer in history” before he fell further than any beloved athlete in America’s memory, Tiger swung at the world’s wildest expectations and beat the skeptics with his April 2019 Masters championship. *Roaring Back* traces his road to Augusta and the improbable, phenomenal comeback of one of the greatest golfers in history. New York Times–bestselling author Curt Sampson details the highs and lows of Woods’s career in three gripping acts. From his startling loss at the 2009 PGA Championship, detrimental obsession with his swing, and that infamous night involving an ex-wife and a nine-iron...to adoring fans and lucrative sponsors turning their backs, exclusive interviews with past instructors and PGA tour peers, and an arrest complete with a toxicology report . . . finally to Tiger coming from behind for his fifth green jacket as the crowd rumbled in Georgia, and how his comeback rivals those of the most dramatic in his sport. Sampson also places Woods’s defeats and triumphs in the context of historic comebacks by other notable golfers like Ben Hogan, Skip Alexander, Aaron Siltan, and Charlie Beljan, finding the forty-three-year-old alone on the green for his trajectory of victory against all odds. As this enthralling book reveals, Tiger never doubted the perseverance of the winner in the mirror. “Sampson admirably details all the highs and lows.” –Jim Nantz, CBS Sports

### **The Second Life of Tiger Woods**

Soon to be an HBO documentary from Academy Award-winning producer Alex Gibney The #1 New York Times bestseller based on years of reporting and interviews with more than 250 people from every corner of Tiger Woods’s life—this “comprehensive, propulsive...and unsparing” (The New Yorker) biography is “an ambitious 360-degree portrait of golf’s most scrutinized figure...brimming with revealing details” (Golf Digest). In 2009, Tiger Woods was the most famous athlete on the planet, a transcendent star of almost unfathomable fame and fortune living what appeared to be the perfect life. But it turned out he had been living a double life for years—one that exploded in the aftermath of a Thanksgiving night crash that exposed his serial infidelity and sent his personal and professional lives over a cliff. In this “searing biography of golf’s most blazing talent” (GOLF magazine), Jeff Benedict and Armen Keteyian dig deep behind the headlines to produce a richly reported answer to the question that has mystified millions of sports fans for nearly a decade: who is Tiger Woods, really? Drawing on more than four hundred interviews with people from every corner of Woods’s life—many of whom have never spoken about him on the record before—Benedict and Keteyian construct a captivating psychological profile of a mixed race child programmed by an attention-grabbing father and the original Tiger Mom to be the “chosen one,” to change not just the game of golf, but the world as well. But at what cost? Benedict and Keteyian provide the startling answers in this definitive biography that is destined to linger in the minds of readers for years to come. “Irresistible...Immensely readable...Benedict and Keteyian bring us along for the ride in a whirlwind of a biography that reads honest

and true" (The Wall Street Journal). Ultimately, Tiger Woods is "a big American story...exhilarating, depressing, tawdry, and moving in almost equal measure" (The New York Times).
