true, to increase your regular monthly income by several thousand dollars, but surely it is possible, as many others have managed to do it. It is possible within a matter of just several months, to plant the seeds for what can become a thriving business on Amazon Kindle. By investing just a few hours daily towards creating such a business, you can establish a secondary source of income that has the potential to grow and thrive for years to come, while producing passive income. Such a huge improvement could truly be a life changer for many individuals. Of course, it does require time and energy to establish a prosperous business on Amazon. It takes months of consistent work even under the best circumstances, and when done incorrectly, it can take far longer. Authors must follow a system of proven steps if they wish to truly create a strong Amazon Kindle business in the shortest amount of time possible. This book is intended to introduce authors to such vital steps and foundational points, to help increase their potential for massive, runaway success on the Kindle platform. More specifically, authors will learn how to address the following matters most effectively: * How to initially start a Kindle business with a powerful foundation. * How to decide what topics to write about for the most profit. * How to write a killer manuscript rapidly. * How to get a stunning cover for a low price. * How to implement a launch strategy to send your book's rank sky-high. * How to upscale your Kindle writing business rapidly. * How to create higher quality eBooks. * Various mindsets that are vital to a successful business. * And so much more! All this and more, only at "How To Write A Book & Sell It On Amazon" by Peter Harris. And although this book has a rather general title, it goes far beyond the basics of starting a Kindle business,

from some of the dozens of investments I'm making right now in the modern marketplace and not idealized examples from the past. Whether you're a brand-new investor with a few grand in your pocket or a seasoned real estate agent representing a \$100 million fund, the key to lasting success in this business is being able to sniff out hidden equity in off-market homes before anyone else. That's precisely what I'll teach you to do faster, cheaper and smarter than any wealth management fund out there. My clients call me a "guru" and a "prodigy," my competitors "one lucky SOB," but the truth is I don't have some "Spidey sense." I can teach anyone every one of my tricks in a matter of hours. So why not? Let's have some fun. The market is sure big enough to accommodate plenty more fresh millionaires. With this vast trove of hard-learned lessons and insider tips in your corner, all you need to supply is self-discipline and ample elbow grease to turn even a few grand into millions within a few years. No luck required and the skills are provided. So what's holding you back from dominating your local market? Pre-Purchase Checklist: Will this book add value for me? Are you a stock market investor tired of being at the mercy of high-speed trading algorithms and random headline news events? Do you ever wish you had more control over your investments? Have you avoided direct real estate investment because you weren't quite sure how to leverage big data to buy off-market properties at +90% discounts, with a minimum of 30% equity? Are you a real estate professional trying to bring more value to your clients and really stand out from the pack? Would you like to take your skillset to a whole new level and earn 10x the commissions with half the work? Are you a current

investor frustrated about all the competition nowadays and the ever-thinning margins? Would you like to skip the direct mailing campaigns and generate vetted leads before anyone else?

The secrets of breakout selling! Using his thirty years of experience training corporate sales forces, Stephan Schiffman has put together a collection of the most essential techniques for succeeding in the field. From getting leads and cold calling to establishing a solid relationship and closing the deal, Schiffman covers everything you need to know in order to improve your performance and make the sale. Inside this book, you'll find his proven sales philosophy, which includes such elements as: Sales don't happen unless questions are asked. An objection is an opportunity in disguise. A salesperson's responsibility is to help the client solve a problem. No one ever made a good sale by interrupting a client. Whether you're new to the field or looking for a quick refresher, you will finally be able to beat out the competition and take your career to the next level with The Ultimate Book of Sales Techniques!
