"Someday, somewhere" is a dangerous game. The real stuff of life is here and now. Life is scary. Adulting is hard. When faced with the challenges of building a life of your own, it's all too easy to stake your hope and happiness in "someday." But what if the dotted lines on the map at your feet today mattered just as much as the destination

you dream of? Hannah Brencher, TED Talk speaker and founder of The World Needs More Love Letters, thought Atlanta was her destination. Yet even after she arrived, she found herself in the same old chase for the next best thing...somewhere else. And it left her in a state of anxiety and deep depression. Our hyper-connected era has led us to believe life should be a highlight reel—where what matters most is perfect beauty, instant success, and ready applause. Yet, as Hannah learned, nothing about faith, relationships, or character is instant. So she took up a new mantra: be where your feet are. Give yourself a permission slip to stop chasing the next big thing, and come matter here. Engage the process as much as you trust the God who lovingly leads you. If you are tired of running away from your life or tired of running ragged toward the next thing you think will make you feel complete, Come Matter Here will help you do whatever it takes to show up for the life God has for you. Whether you need to make a brave U-turn, take a bold step forward, or finish the next lap with fresh courage, find fuel and inspiration for the journey right here.

The enemy wants us to feel rejected . . . left out, lonely, and less than. When we allow him to speak lies through our rejection, he pickpockets our purpose. Cripples our courage. Dismantles our dreams. And blinds us to the beauty of Christ's powerful love. In *Uninvited*, Lysa shares her own deeply personal experiences with rejection—from the incredibly painful childhood abandonment by her father to the perceived judgment of the perfectly toned woman one elliptical over. With biblical depth, gut-honest vulnerability, and refreshing wit, Lysa helps readers: Release the desire to fall apart or control the actions of others by embracing God-honoring ways to process their hurt. Know exactly what to pray for the next ten days to steady their soul and restore their confidence. Overcome the two core fears that feed our insecurities by understanding the secret of belonging. Stop feeling left out and start believing that "set apart" does not mean "set aside." End the cycle of perceived rejection by refusing to turn a small incident into a full blown issue.
