WE HAVE MET IN PAST LIVES is based on the idea that our souls are eternal and reincarnate in order to learn karmic lessons and to ultimately evolve. WE HAVE MET IN PAST LIVES focuses on several real past life regression cases, conducted under hypnosis in the author's hypnotherapy practice. Each case highlights the fact that our systems of cohabitation and interdependence recognize homogeneous soul group structures that may have coexisted in other lives; therefore it may be possible to live at the present with people we have met in past lives. WE HAVE MET IN PAST LIVES accentuates the concept of 'soul groups' that continuously reincarnate with the same group of people; each member of the group playing a different role in each lifetime, and having specific connections depending on the karmic lessons each soul has decided to accomplish.

The Old, Old Story

In the early 19th century, the highlands of Scotland experienced "The Clearances": the uprooting of families and communities. The majority of those dispossessed folk crossed the sea to North America, while others went on to Australia, New Zealand and even Chile. Some of the exiles carried with them a spiritual sense called the "Old Way" - a wildly beautiful form of early Christianity. Deep, somewhat mystical and even "Druidic," it is spiritual, but not "churchy." It is the faith of a child who dearly loves a parent and knows that he or she is deeply loved in return. "God's Brats"? Perhaps. In any case, the seed which was carried out of Scotland found good soil in new lands. Each of us may be called upon to do the work of an angel, and to accomplish that work with no expectation of reward. Above all, we are meant to celebrate the life which we have been given and to rejoice in each day. May our eyes bless all that they see.

Putnam's Monthly

Ken Foster knows that a dog can change a person's life. And that several dogs can change even more. For **THE DOGS WHO FOUND ME**, the author appeared in major media interviews such as NPR's "Fresh Air" with Terry Gross, and received hundreds of letters and stories about other karmic canine rescues. Many of these heartwarming stories are now compiled in this all-new follow-up to the original

bestseller. *DOGS I HAVE MET* introduces us to injured California pit bull Jimmy, among others, as well as to one woman who opened her house to 55 stray dogs. Ken Foster will once again travel the country for interviews and in-store events to promote dog rescue and this all-new national bestseller.

The Peterson Magazine

"English for the Insurance Industry" wendet sich an diejenigen, die ihren berufsspezifischen Englischwortschatz auffrischen, erweitern oder verbessern wollen. Alle Themengebiete beziehen sich ausschließlich auf die Versicherungswirtschaft. Dieses Lehrbuch für Fortgeschrittene beinhaltet einen breiten Kommunikationsbaukasten zum Aufbau englischer Sprachkompetenz, der Lernende erarbeitet sich Schritt für Schritt einen fundierten Wortschatz zu den zentralen Fragestellungen des Versicherungswesens. An vielen Stellen wurden Verbesserungen und Neuerungen gegenüber der ersten Auflage vorgenommen : - Versicherungsfachliche Texte erklären die inhaltlichen Zusammenhänge des Schwerpunktthemas eines jeden Kapitels mit Fachvokabeln, Redewendungen und mehr. - Wortschatzübungen und grammatikalische Übungen erleichtern das Einprägen des Gelernten. - Kommunikationsübungen als Kernelement unseres Lehrbuchs bieten Dialogtexte, Rollenspiele und schriftliche Übungen - Hinweise zur systematischen Vorbereitung und Durchführung von Kommunikationsübungen finden Sie ebenso. - 19 Seiten "Vocabulary" bieten eine wertvolle Nachschlagequelle für versicherungsfachliche Begriffe. Einzelne Elemente und Lektionen können unabhängig voneinander genutzt, die Texte unabhängig von den Übungen eingesetzt werden. Dadurch besteht für Lernende die Möglichkeit, Stoffumfang und eigenen Lernfortschritt flexibel zu variieren. Das Buch bietet eine Fülle von Einsatzmöglichkeiten für den Umgang mit

Like philosophy itself, *How I Met Your Mother* has everyone thinking. How does a successful show that's been on the air for years suddenly become a hit in its fifth and sixth season? Have you ever wondered why you identify so strongly with Barney despite the fact that he 's such a douche? Or why your life story doesn ' t make sense until you know the ending—or at least, the middle? Or where the Bro Code came from and why it ' s so powerful? Or why you ' d sooner miss the hottest date in your life than have to live in New Jersey? Of course you have, or if you haven ' t, you ' ll clearly remember from now on that you have. *How I Met Your Mother* and *Philosophy* answers all these questions and a whole lot more, including one or two that even you may not have thought of. Twenty of the awesome-est philosophers ever congregated in one bar have come together to quaff a few drinks—and to analyze this most awesomely philosophical of sit-coms. They poke, prod, and sniff at such momentous matters as the metaphysics of possible worlds, the misdeeds of Goliath National Bank, the ontology of waiting to get slapped, the epistemology of sexual attraction, why the Platinum Rule is to never love thy neighbor, the authenticity of censoring yourself, the ethics of doing bad things with partly good intentions, why future Ted ' s opinions matter to present-day Ted, whether it ' s irrational to wait for the Slutty Pumpkin, and why Canadians have that strange Canadian slant on things. This book shows that viewers of *How I Met Your Mother* and *Philosophy* know that philosophy is much more than a song and dance routine.
