Along Those Lines

Out on Business

Ancient souls reawaken to destiny when Ilfin and Glonu spaceships hurtle through the spaces. As a fireball grows ever larger in the skies, oblivious masters seek more slaves. Massin is the gathering place for every omen of disaster. In the marshes below the plateau, Lyra and Damin plan to save their civilisation and their families, but it will require more than words to awaken people from complacency. Special talents are needed to incite action, talents inherent in the ancient bloodlines of another world. Magical abilities - the Ilfin Talents. All must march across the vast plains from the eastern highlands and the western seas to reach the mighty mountains in the south. There they may escape the fires; there they will hide from the masters; there is the isolation to begin a new civilisation, free from the past, free from oppression. A host will march to Arc, the paradise beyond the southern mountains, an ancient sanctuary, one that survived every impact from the heavens and every battle between the Ilfin and the Glonu of previous times. An Elemental will find the sanctuary, a Warrior will protect the dispossessed and a Marsh Devil will lead them. Will Arc protect them?

The Things They Carried

*Includes pictures *Includes accounts of fighting written by soldiers *Includes a bibliography for further reading *Includes a table of contents "God would never be cruel enough to create a cyclone as terrible as that Argonne battle. Only man would ever think of doing an awful thing like that. It looked like 'the abomination of desolation' must look like. And all through the long night those big guns flashed and growled just like the lightning and the thunder when it storms in the mountains at home. And, oh my, we had to pass the wounded. And some of them were on stretchers going back to the dressing stations, and some of them were lying around, moaning and twitching. And the dead were all along the road. And it was wet and cold. And it all made me think of the Bible and the story of the Anti-Christ and Armageddon. And I'm telling you the little log cabin in Wolf Valley in old Tennessee seemed a long long way off." - Alvin C. York World War I, also known in its time as the "Great War" or the "War to End all Wars," was an unprecedented holocaust in terms of its

sheer scale. Fought by men who hailed from all corners of the globe, it saw millions of soldiers do battle in brutal assaults of attrition which dragged on for months with little to no respite. Tens of millions of artillery shells and untold hundreds of millions of rifle and machine gun bullets were fired in a conflict that demonstrated man's capacity to kill each other on a heretofore unprecedented scale, and as always, such a war brought about technological innovation at a rate that made the boom of the Industrial Revolution seem stagnant. The enduring image of World War I is of men stuck in muddy trenches, and of vast armies deadlocked in a fight neither could win. It was a war of barbed wire, poison gas, and horrific losses as officers led their troops on mass charges across No Man's Land and into a hail of bullets. While these impressions are all too true, they hide the fact that trench warfare was dynamic and constantly evolving throughout the war as all armies struggled to find a way to break through the opposing lines. Though World War I is almost synonymous with trench warfare, that method of combat was nothing new. There had been extensive use of trenches during the later stages of the American Civil War (1864-1865), and trench warfare was constant during the Second Boer War (1899-1902), the Russo-Japanese War (1904-1905), and the Balkan Wars (1912-1913). These conflicts showed that modern firepower combined with entrenched positions gave a decisive advantage to the defender, yet European observers failed to learn any lessons from these conflicts, and the scale of trench warfare in World War I far eclipsed anything seen before or since, especially on the Western Front. Since the Industrial Revolution, arms and materiel output had increased by orders of magnitude, as had the quality and uniformity of the products. Several developments had already taken place in the years building up to the conflict, stepping stones towards the vast escalation in military innovation which took place immediately prior to and during World War I. Chief among these was the invention of smokeless gunpowder, which took place concurrently among several powers between 1890 and 1905. This was a crucial development, as it eliminated the literal "fog of war" which in vast quantities obscured the battlefield entirely and on an individual level both gave away the position of marksmen and made it impossible for them to fire accurately unless they moved away from their own smoke-cloud. Further innovations included the adoption into service of the first belt-fed machine guns, predecessors of those which would wreak such slaughter in the trenches, and the development of cannon which did not roll backwards after each shot as 19th century pieces did, but remained fixed in place.

The Slums of Nightfall

Read PDF Within These Lines

This collection of poetry does not hold back. It is a force to be reckoned with. The prose jumps off the page and dances on your lips, to the increased rhythm of your heart. This book embraces the dirt and negativity of the past, which too often shapes the future, and screams honesty and acceptance. It is a deeply satisfying and emotive read. The gracefulness with which the author discloses to us the skeletons in her closet is altogether brave and endearing. These poems truly make you realize that scars ought to be worn with nothing less than pride and honor. Our scars are what make us unique, they tell the story of endurance and perseverance, of strength and resilience. They are your truth but someone else's hope. - L. J. Diaz, Author

In Iudicio

The Diary of a Nobody is an English comic novel that records the daily events in the lives of a London clerk, Charles Pooter, his wife Carrie, his son Lupin, and numerous friends and acquaintances over a period of 15 months.

The Little Book of Yarns

Italian-American Evalina and Japanese-American Taichi's vow to be together, although interracial marriage is illegal in 1941 San Francisco, is tested when Taichi's family is sent to Manzanar internment camp. Includes historical notes.

Unchosen

Within These Lines Educator's Guide is a companion to Within These Lines by Stephanie Morrill. This guide can be utilized in the classroom, in a home school setting, or by parents seeking additional resources. Ideal for grades 7-12.

Counterparts

From Stephanie Morrill, author of *The Lost Girl of Astor Street*, comes *Within These Lines*, the love story of a girl and boy torn apart by racism during World War II. Evalina Cassano's life in an Italian-American family living in San Francisco in 1941 is quiet and ordinary until she falls in love with Taichi Hamasaki, the son of Japanese immigrants. Despite the scandal it would cause and that inter-racial marriage is illegal in California, Evalina and Taichi vow they will find a way to be together. But anti-Japanese feelings erupt across the country after the attack on Pearl Harbor, and Taichi and his family are forced to give up their farm and move to an internment camp. Degrading treatment makes life at Manzanar Relocation Center difficult. Taichi's only connection to the outside world is treasured letters from Evalina. Feeling that the only action she can take to help Taichi is to speak out against injustice, Evalina becomes increasingly vocal at school and at home. Meanwhile, inside Manzanar, fighting between different Japanese-American factions arises. Taichi begins to doubt he will ever leave the camp alive. With tensions running high and their freedom on the line, Evalina and Taichi must hold true to their ideals and believe in their love to make a way back to each other against unbelievable odds.

The Imaginality of Somewhere

To live, every being must put out a line, and in life these lines tangle with one another. This book is a study of the life of lines. Following on from Tim Ingold's groundbreaking work *Lines: A Brief History*, it offers a wholly original series of meditations on life, ground, weather, walking, imagination and what it means to be human. In the first part, Ingold argues that a world of life is woven from knots, and not built from blocks as commonly thought. He shows how the principle of knotting underwrites both the way things join with one another, in walls, buildings and bodies, and the composition of the ground and the knowledge we find there. In the second part, Ingold argues that to study living lines, we must also study the weather. To complement a linealogy that asks what is common to walking, weaving, observing, singing, storytelling and writing, he develops a meteorology that seeks the common denominator of breath, time, mood, sound, memory, colour and the sky. This denominator is the atmosphere. In the third part, Ingold carries the line into the domain of human life. He shows that for life to continue, the things we do must be framed within the lives we undergo. In continually answering to one another, these lives enact a principle of correspondence that is fundamentally social. This compelling volume brings our thinking about the material world refreshingly back to life. While anchored in anthropology, the book ranges widely over an interdisciplinary terrain that includes philosophy, geography, sociology, art and architecture.

Beowulf

Fans of social realism will appreciate the surprisingly nuanced and multi-faceted perspective on Victorian era morals and mores offered in Elizabeth Cleghorn Gaskell's sweeping novel *Ruth*. The story follows the fortune of Ruth, an orphan who is tricked into an intimate relationship with an aristocrat who later abandons her when she is pregnant with his child. Ruth, distraught, struggles with the social strictures that paint her as an irredeemable sinner. Can she and her child survive? Read *Ruth* to find out.

Lines that Wiggle

A collection of bush poetry, all original works by Brisbane author and poet Matt Trucky Langdon.

The Life of Lines

The poems in this book are for anyone who has ever experienced the wrath of anxiety or the lows of depression. I hope that every single stanza you read, will serve as a reminder, that there are others who fully understand your struggle. Poetry can serve as a guide, for whenever your mind strays too far into hopelessness. I trust that the poems in this book will do the same for you, or at least provide you with comfort as you find your own way through this world.

Tess of the D'Urbervilles: A Pure Woman

Farrington is an alcoholic scrivener who has been scolded by his boss for not finishing a task on time. But instead of completing the task, Farrington goes out for a beer and receives yet another scolding from his boss. Farrington's day continues to unravel when he is humiliated at a local pub, and arrives home to find his wife out at chapel and his dinner uncooked. Critically acclaimed author James Joyce's *Dubliners* is a collection of short stories depicting middle-class life in Dublin in the early twentieth century. First published in 1914, the stories draw on themes relevant to the time such as nationalism and Ireland's national identity, and cement Joyce's reputation for brutally honest and revealing depictions of everyday Irish life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Saint's Progress

Told in their separate voices, sixteen-year-old Prince Oliver, who wants to break free of his fairy-tale existence, and fifteen-year-old Delilah, a loner obsessed with Prince Oliver and the book in which he exists, work together to seek his freedom.

Ilfin of Arc

It's time for the updates to end. With the release of 'Status Update Deleted' the trilogy that started with *Status Update Required* finally comes to a thrilling and dramatic conclusion. Over the course of 400+ pages, characters old and new will face their final challenges as the battle for the online digital world, and for the minds of all those who use it, comes to an end that will change everything. The official blurb: *Status Update Loaded* When the crackdown started, people believed it would be the end of all their troubles, the end of all online criminality. With the newly established International Administration Authority guiding the way, the world changed into a new version of itself, one where a person's online profile was the only thing that mattered. But that very change saw the rise of the muted generation, people so indoctrinated in the world of technology that the ability to speak never developed within them. With the silence came new laws, ones that required people to communicate every few hours through a government approved social media site. *Required* It's a world that Icarus08 finds himself at odds with now more than ever. Years of sitting awake at night, searching the net for anything resembling a human connection never prepared him for this. Out of everything he could have imagined, hooking up with *Chemical_Queen* was the last thing he would have expected. Her secretive past has caused them no end of troubles, but together the two have survived everything from crazed drug dealers to violent aircraft crashes and the worst society can produce. But now, Icarus's strange coding abilities have made them both a target for the most powerful corporation in the world: *Cesar*, and its psychopathic CEO, *Chem's* father *Jonathon Quinn*. *Denied* The activation of *Omega* has changed everything. Icarus's last ditch effort to save him and *Chem* from the grasp of *Quinn's* brainwashed *Moderator* army took everyone by surprise, even himself. Its effects have been numerous and powerful, and now *Quinn* will do anything to find the key to controlling the malicious code that even now worms its way into everything. When *Chem* wakes up alone and afraid, she fears the worst, but is quickly comforted by a world that is nothing like the one she remembers, a world where her happiness is the most important thing. A world where there is no sign of *Icarus Elsewhere*, as the world prepares to embrace the launch of *Cesar's* newest wrist set, it is blissfully unaware of the dangers it faces. The mind controlling devices will soon be everywhere and no one, not even the rebellious group of hackers known as the *Speechless*, can stop them. With *Quinn's* victory seemingly assured, only one thing holds any chance of defeating him now; a fire of anger

that if unleashed could consume the entire world. Deleted WARNING: This book contains some swearing.

Skeletons in My Closet

"Intellectual reveling at its finest." Booklist "A delightful and curious book about borders, boundaries, fences, and lines." Slate "A thoughtful and entertaining look at the demarcations in our lives." Times Dispatch After years of crossing borders in search of new birds and new landscapes, Peter Cashwell's exploration of lines between states, between time zones, and between species led him to consider the lines that divide genders, seasons, musical genres, and just about every other aspect of human life. His conclusion: Most had something in common—they were largely imaginary. Nonetheless, *Along Those Lines*, a tour of the tangled world of delineation, attempts to address how we distinguish right from wrong, life from death, Democrat from Republican—and how the lines between came to be. Part storyteller, part educator, and part wise guy, Cashwell is unafraid to take readers off the beaten path—into the desert vistas of the Four Corners, the breeding ground of an endangered warbler, or the innards of a grand piano. Something amusing and/or insightful awaits at every stop. And he's not alone. The tricks and treats of the human instinct for drawing lines are revealed in interviews with experts of all sorts. Learn about the use of the panel border from a Hugo Award-winning comics creator. Trace the edge of extinction with the rediscoverer of the Ivory-billed Woodpecker. Get the truth about the strike zone from an umpire who holds a degree in physics. You'll begin to see even the most familiar lines in a whole new way. "From music to politics to gender splits, the things that divide us also tell us quite a bit about who we are, and how we got there. You couldn't ask for a better guide than Peter Cashwell, whose eloquent musings on the lines we draw—and sometimes erase—is illuminating, fascinating, and impossible to put down." Caroline Leavitt "If, as Paul Klee told his students at the Bauhaus, a line is a dot that goes for a 'walk,' then *Along Those Lines* is a beguiling and personal treasury of dots on hikes, treks, and walkabouts. To accept this invitation to meander through the author's territory of boundaries, borders, definitions, demarcations, and delineations is to be rewarded with surprising answers to questions you didn't know you had until now, about everything under the sun, from strike zones, musical genres, and Gerrymandering to birding, gender, and how different religions define the lines between right and wrong. Peter Cashwell's appreciation of the boundaries that create our world is a pure delight." Katharine Weber "As if by magic, Cashwell gives us the power to see the invisible lines we live by and—perhaps more importantly—the permission to smudge, erase, dissolve, or redraw the lines that don't serve us well. *Along Those Lines* is an imaginative and well-researched book full of Cashwell's trademark imagination and humor.* Even the most edgy, rule-bound readers will come away enlightened and liberated. [*His footnotes alone could open Saturday Night Live.]" Maria Mudd Ruth "Peter Cashwell has written a brilliant, mind-bending saga of delineation as a supreme act of imagination, as a noble and often comic attempt to confine the raggedy universe within a geometer's desperate dreams of precision." Will Blythe

The Secret Glory

In Iudicio is a collection of poetry that offers a brutal account of worship, heartache, betrayal, and the overall spiritual transition one endures through relationships. The 39 poems of *In Iudicio* are addressed to one on trial, whose verdict has not yet been determined. Throughout, the reader is given a raw glimpse into a private nightmare which may not have been intended for other eyes to witness, yet must painfully digest nonetheless. Garnier's poetry and fiction has appeared in various publications, whose subject matter is revered as diverse, challenging, and highly original. from the back cover: This book

shall enter the reader through the stomach first; though not by any kind of umbilical spirit, as it will then travel up the gulping throat and out the reader's mouth as you whisper obscenities of wonder to the pages before you. As the subject of these thirty-nine lashes is one "on trial", In Iudicio is a guilty read. One may feel as though it was not meant for the eyes, perhaps a found journal or classified file. But safe to say, these lines have been blurred and made public, therefore the reader is implored to continue with salivating confidence.

Italian Hours (1909)

BreeAnna Barton was born right after WWII to loving parents and was the center of their world. Her life began as ordinary as the families of the hit TV shows during the 50's and 60's. By the time she was three years old however, a drastic change was beginning to take place in her secure little world. Bree wanted so much to be a normal, happy child and teenager but the word "normal" didn't seem to exist for her. Abused, time and again, both physically and mentally until she was eighteen years old, there seemed to be nothing but black clouds on her horizon. She rose each time with another ray of hope and strong determination, only to be beaten back down. Outsiders turn their heads as the brutality that takes place inside her home stays within those walls, never to be discussed or shared by anyone involved. The rainbow was gradually fading from the clear blue sky of her dreams. As Bree's story unfolds, you'll hold your breath as she rides along with the changing winds, wanting to encourage her as she fiercely attempts to fight back against her attackers. She is courageous, determined, and through it all, still has the capacity to love. But, just how long and to what extent can these traits carry her? How much pain and suffering will this diminutive child's body be able to endure? Tiny bits of happiness are dashed as she rounds each corner, her journey reaching it's final destination

She Didn't Tell

Learn the TRUE meanings behind Tarot Cards NOW! Have you ever gone to a psychic? Or have you ever had a Tarot Card reading done? Did you often wonder what those cards really mean? Well you came to the right place! Tarot Cards, what are they? The Tarot is made up of 78 Tarot cards, each with its own unique Tarot card meaning. There are 22 Major Arcana cards and 56 Minor Arcana cards across four suits (Cups, Pentacles, Swords and Wands). Tarot reading is a spiritual art of finding guidance using the interpretations of tarot cards. Though it may not correctly foretell or predict the future, many still believe that the tarot cards can guide them to the right path or to know what to expect from the unknown. This book contains the meaning behind the tarot cards. Mainly, the book explains the major arcana cards and an overview of the minor arcana cards. It includes some guidelines on how to read and interpret the tarot cards in connection to your fate, spirituality and desires. It also teaches a few tarot reading spreads which a beginner tarot reader may use to interpret or read for his friends or to himself. With the help of this book you will learn all about Tarot Cards, their true meanings, and how to perform readings! Here is a quick preview of what is inside Tarot Reading: The beginning and the cards The meaning behind the Major Arcana cards The meaning behind the Minor Arcana cards Interpreting the cards Easy tarot card reading spreads for beginners And much more! Get out your Tarot Cards Today! Purchase this book NOW for a full course on Tarot Card Readings!

Laura Mcnaughty

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Tarot Card Reading

Welcome to *THE INJURED DEER*, the third in the series of Laura McNaughty books where we find Laura busy trying to help an injured deer she saw in Stokey's woods; and the grumpy Harbour Master has come to Laura's attention for being cruel to the sea birds living in and around the harbour. Laura McBean lives in the middle cottage of three with her brother Johnny and her mum on the edge of Stokey's Woods. Laura was quite a mischievous girl when she was growing up, and that is how she got the nickname of Laura McNaughty. She doesn't get into as much mischief now because she is that little bit older; but if she finds out that someone has been cruel to animals then that person, whoever he or she maybe, will have Laura and her friends to contend with.

Within These Walls

When her best friend vanishes without so much as a good-bye, eighteen-year-old Piper Sail takes on the role of amateur sleuth in an attempt to solve the mystery of Lydia's disappearance. Given that Piper's tendency has always been to butt heads with high-society's expectations of her, it's no surprise that she doesn't give a second thought to searching for answers to Lydia's abduction from their privileged neighborhood. As Piper discovers that those answers might stem from the corruption strangling 1924 Chicago—and quite possibly lead back to the doors of her affluent neighborhood—she must decide how deep she's willing to dig, how much she should reveal, and if she's willing to risk her life of privilege for the sake of the truth. Perfect for fans of Libba Bray and Anna Godbersen, Stephanie Morrill's atmospheric jazz-age mystery will take readers from the glitzy homes of the elite to the dark underbelly of 1920s Chicago.

The Lost Girl of Astor Street

When Lucy Hunt is informed by her boss she will be accompanying him on a weekend long conference; she wonders how she will be able to keep her thoughts on her work. Vivid dreams of all the things she would like to do to Mr Casey have given her many sleepless nights. A weekend in his company sounds like heavenly torture. Blake Casey is all business and no play. Could his shy and bashful PA be the one to change all that in just a weekend? When the company goes Out on Business, fantasies are experienced, stockings are worn and suits are torn apart. Let Casey advertising company give you a pitch

you won't want to forget.

Within These Lines

From indie horror author and bestselling sensation Ania Ahlborn, this brand-new supernatural thriller questions: how far would you go for success, and what would you be capable of if the promise of forever was real? With his marriage on the rocks and his life in shambles, washed up crime writer Lucas Graham is desperate for a comeback. So when he's promised exclusive access to notorious cult leader and death row inmate Jeffrey Halcomb, the opportunity is too good to pass up. Lucas leaves New York for the scene of the crime—a split-level farmhouse on the gray-sanded beach of Washington State—a house whose foundation is steeped in the blood of Halcomb's diviners; runaways who, thirty years prior, were drawn to his message of family, unity, and unconditional love. Lucas wants to tell the real story of Halcomb's faithful departed, but when Halcomb goes back on his promise of granting Lucas exclusive information on the case, he's left to put the story together on his own. Except he is not alone. For Jeffrey Halcomb promised his devout eternal life—and within these walls, they're far from dead.

The Wanderings of a Spiritualist

This is an account of the wanderings of a spiritualist, geographical and speculative. Should the reader have no interest in psychic things—if indeed any human being can be so foolish as not to be interested in his own nature and fate, —then this is the place to put the book down. It were better also to end the matter now if you have no patience with a go-as-you-please style of narrative, which founds itself upon the conviction that thought may be as interesting as action, and which is bound by its very nature to be intensely personal. I write a record of what absorbs my mind which may be very different from that which appeals to yours. But if you are content to come with me upon these terms then let us start with my apologies in advance for the pages which may bore you, and with my hopes that some may compensate you by pleasure or by profit. I write these lines with a pad upon my knee, heaving upon the long roll of the Indian Ocean, running large and grey under a grey streaked sky, with the rain-swept hills of Ceylon, just one shade greyer, lining the Eastern skyline. So under many difficulties it will be carried on, which may explain if it does not excuse any slurring of a style, which is at its best but plain English. There was one memorable night when I walked forth with my head throbbing and my whole frame quivering from the villa of Mr. Southey at Merthyr. Behind me the brazen glare of Dowlais iron-works lit up the sky, and in front twinkled the many lights of the Welsh town. For two hours my wife and I had sat within listening to the whispering voices of the dead, voices which are so full of earnest life, and of desperate endeavours to pierce the barrier of our dull senses. They had quivered and wavered around us, giving us pet names, sweet sacred things, the intimate talk of the olden time. Graceful lights, signs of spirit power had hovered over us in the darkness. It was a different and a wonderful world

This early work by Henry James was originally published in 1909 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading.. James published his first story, 'A Tragedy of Error', in the Continental Monthly in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are *The Europeans* (1878), *Daisy Miller* (1878), *Washington Square* (1880), *The Bostonians* (1886), and one of the most famous ghost stories of all time, *The Turn of the Screw* (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Ruth

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In *The Secret Glory*, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

Sex Outside the Lines

One of the most critically acclaimed and appreciated works around the lives of women in the late 19th century by Thomas Hardy, '*Tess of the d'Urbervilles: A Pure Woman*' was first published in 1891. It challenged the sexual morals of late Victorian England and considered to be Hardy's fictional masterpiece.

Within These Lines

Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the

human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Within These Lines Educator's Guide

Italian-American Evalina and Japanese-American Taichi's vow to be together, although interracial marriage is illegal in 1941 San Francisco, is tested when Taichi's family is sent to Manzanar internment camp. Includes historical notes.

Fawkes

Lizzie O'Malley is back with a purpose in life. Still flighty and unpredictable, she knows that loving and losing Teagan Gallagher has changed her life forever. As she navigates her new life in Boston as a full time working mother, she promises herself she will never fall in love again. But can she keep that promise after meeting Nick Sawyer, the gorgeous Texan who has fallen for her? Follow Lizzie to Ireland where she struggles with tragedy and rediscovers herself all over again.

The Trench Warfare of World War I

It's socially acceptable to spend a day watching sports or sitcoms, but it's shameful and embarrassing to admit to the same about erotic media. Why is it that sex is so often deemed "inappropriate" and considered something we must keep private or even ignore? Our culture is afraid of sex. We feel the need to label what is normal and what isn't, and as a result, we live in a relational and sexually unhealthy culture. In reality, far more harm is caused by labeling sexual expression as "obscene" than by celebrating it. In *Sex Outside the Lines: Authentic Sexuality in a Sexually Dysfunctional Culture*, Chris Donaghue, PhD, explores and challenges the negative ideals that have warped society's view of sex. *Sex Outside the Lines* is not a dogmatic rule book, but a valuable guide to help you on your journey to sexual self-discovery and, most important, self-acceptance. Donaghue encourages you to not only explore your capacity for pleasure, but to be proud of it and to take a look at how you could be living. In his years of training in sex and couples therapy, Donaghue has developed highly successful methods for freeing clients from sexual hang-ups, enabling them to let go of shame and embarrassment. The goal isn't to be "normal"—there is no such thing. Donaghue pulls apart cultural phobias with a sex-positive therapy practice, as well as a kind of sexual deprogramming that helps people see and accept that the desires they have—even if they don't align with society's expectations—are actually natural, healthy, and part of having a great sex life. *Sex Outside the Lines* addresses our diversity, challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders, and disregards conventional advice from leading experts. It isn't advocating a "liberal" approach to modern concepts—it is seeking to redefine them altogether.

Along These Lines

Talsy and Chanter return to the peaceful vale, where she gives birth to his son - a creature of the chaos. Travain has stunted Mular powers and a Trueman personality, making him dangerous and unpredictable, and he is also angry at his father's apparent neglect. Mular, however, do not care for their children, who are born fully formed and independent. Travain grows quickly, and is everything Chanter warned Talsy he might be. Chanter finds the last piece of the broken Staff of Law and makes it whole, but the laws are lost. His first son is born on the eastern continent they left behind so long ago, but he is blinded by strange golden lights in his mind. He names himself Law, and finds shelter in a hive of semi-ants. The next generation are manants, and attack him, forcing Law to flee into the chaos. In his search for shelter, he travels to the western continent, where Truemen capture him. The wind informs Chanter of his plight, and Talsy insists that they save him. That means venturing into the chaos once more, and now it is far worse than it was before.

Along These Lines

The Diary of a Nobody

Along These Lines is a great, all-around introduction to paragraph and essay writing for first year and ESL students. Its accessible, workbook style presents a clear, step-by-step introduction to the stages of the writing process. The word lines in the title refers to these stages, which are called Thought Lines, Outlines, Rough Lines, and Final Lines, and serve as convenient prompts for each stage. The Fourth Canadian Edition features new readings, additional content on plagiarism, and an increased focus on reading and writing to help prepare students for essay writing. MyCanadianWritingLab is not included with the purchase of this product.

The Little Pilgrim

A variety of monsters and other creatures demonstrate some of the different things that lines can do, from curving and curling to zigging and zagging.

Between the Lines

Word count: 40,223 (242 pages)Ages: 8+ or for all those who are young at heart.Parents and teachers: Has great life lessons and encourages problem solving skills.The very brave and adventurous Ellie, as she would like to be described, and the always sensible and logical Thomas, move, with their parents, to a forsaken farmhouse due to falling on hard, economic times. But there is a reason this farmhouse was abandoned. Ellie and Thomas discover perplexing carvings, travel to a troubled mythical land and have encounters with incredible creatures. As their adventure unfolds, they realize the mythical land unlocks a special power within them and discover their mysterious connection to it. The Imaginality of Somewhere is the greatest adventure never told until now. Chapter One starts here:Somewhere, on a normal summer day in Oklahoma, U.S.A., a not so normal adventure is just beginning for eleven-

year-old siblings Ellie and Thomas Holzman. What they are about to discover on this quest will change their understanding of life as we know it to be, and will explain some of the greatest mysteries of the world. Ellie has just witnessed something peculiar from the back seat of the car. Her big, brown eyes are open wide as she asks her family about the strange thing she just saw. "Did any of you see that man, the old man on the side of the road?" (Continued on the inside)

Virgil, Aeneid, 4.1-299

"Fawkes is the perfect mix of history and magic." "Cynthia Hand, New York Times bestselling author of My Lady Jane Thomas Fawkes is turning to stone, and the only cure to the Stone Plague is to join his father's plot to assassinate the king of England. Silent wars leave the most carnage. The wars that are never declared but are carried out in dark alleys with masks and hidden knives. Wars where color power alters the natural rhythm of 17th-century London. And when the king calls for peace, no one listens until he finally calls for death. But what if death finds him first? Keepers think the Igniters caused the plague. Igniters think the Keepers did it. But all Thomas knows is that the Stone Plague infecting his eye is spreading. And if he doesn't do something soon, he'll be a lifeless statue. So when his Keeper father, Guy Fawkes, invites him to join the Gunpowder Plot—claiming it will put an end to the plague—Thomas is in. The plan: use 36 barrels of gunpowder to blow up the Igniter King. The problem: Doing so will destroy the family of the girl Thomas loves. But backing out of the plot will send his father and the other plotters to the gallows. To save one, Thomas will lose the other. No matter Thomas's choice, one thing is clear: once the decision is made and the color masks have been put on, there's no turning back. "I was up late in the night reading, waiting to get to the fifth of November to see how the plot would actually unfold, and it did not disappoint. An imaginative, colorful tale about choosing for yourself between what's right and what others insist is the truth." "Cynthia Hand, New York Times bestselling author of My Lady Jane "Hold on to your heart as this slow-burning adventure quickly escalates into an explosion of magic, love, and the truth about loyalty." "Mary Weber, bestselling author of the Storm Siren Trilogy "Fawkes is a tale full of spiritual depth, tragedy, and hope. A beautifully written allegory for the magic of faith, with an achingly relatable hero who pulls you into his world heart and soul. A must-read for all fantasy fans!" "Lorie Langdon, author of Olivia Twist "A brilliant book that fulfills every expectation. Brandes turns seventeenth century London into a magical place. I was captivated by the allegory of her magic system and how she blended that fantasy with history. I highly recommend this gripping and beautifully crafted book to all. It will leave you both entertained and pondering matters raised in the storyline long after you've finished reading." "Jill Williamson, Christy Award-winning author of By Darkness Hid and Captives "A magical retelling of the seventeenth century's famous Gunpowder Plot that will sweep you back in time—to a divided England where plagues can turn you to stone and magic has a voice. Deft and clever, Fawkes is a vibrant story about the search for truth and issues relevant to us, still, today." "Tosca Lee, New York Times bestselling author
