Argues that everyone is responsible for their own experiences, tells how to lead a more creative and fulfilling life, and discusses work, health, success, and personal relationships.

I Can Do It

From the New York Times best-selling author of *You Can Heal Your Life* Mirror work has long been Louise Hay's signature method for cultivating a deeper relationship with yourself and others, and leading a rich and meaningful life. Now, in *Mirror Work*, she shows how in just 21 days, you can master this simple but powerful practice as an ongoing support for positive transformation and self-care. "I have been teaching people how to do mirror work as long as I have been teaching affirmations . . . The most powerful affirmations are those you say out loud when you are in front of a mirror, looking deeply into your eyes. A mirror reflects back to you the feelings you have about yourself. It makes you immediately aware of where you are resisting and where you are open and flowing. It clearly shows what thoughts you will need to change if you want to have a joyous, fulfilling life." - Louise Hay

park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

Methuselah's Pillar moves at quantum speed as the action thriller combines worlds of germ warfare, espionage, myth and ancient history. A shepherd minding his flock thinks he's heard thunder. He's soon running for his life as rockets swoosh by. A missile explodes on a ravine hillside and opens a crevasse. He dives in for cover but falls into an ancient sanctuary where he finds a lost ancient artifact known as Methuselah's Pillar. According to legend, Methuselah had received the inscribed pillar from his seven times great grandfather, Adam, and then went on to become the oldest man who ever lived. Later, Moses possessed the pillar and delivered the Hebrews from the powerful Egyptian army with miracles. Did some of Moses' divine help come from another time and place? Does the pillar contain information, secrets, that today's scientists could find extremely helpful, or deadly, to humanity? American surveillance drones in Afghanistan discover something that demands closer investigation. Samantha Conway, a renowned archaeologist and expert in ancient writings, soon finds herself caught between the CIA and insurgents in a race to translate miraculous recipes of life and death as the last and most deadly of Moses' plagues returns.

knowledge to make your body ripe for spontaneous remission or disease prevention Western-trained physician Lissa Rankin, M.D. pored over hundreds of objectively evaluated, peer-reviewed studies from medical journals to find proof not just that thoughts and feelings originating in the mind can heal the body, but also that there are clear physiological mechanisms explaining how this happens she explains how this process works, proves with extraordinary case studies from the medical literature that it does, and teaches practical techniques you can use to activate the body's natural self-healing mechanisms, while shutting off the processes that predispose to illness. She also guides you through the process of uncovering where you might be making unhealthy choices, not just in your diet, exercise program, and sleep habits, but in your relationships, your professional life, your creative life, your spiritual life, and more-- so that you can create a customized treatment plan"--

Summary of You Can Heal Your Life by Louise Hay

Ever since medical school, Dr. Christiane Northrup has been guided by an essential truth about the way our bodies, minds, and souls are intertwined. It's the same truth Edgar Cayce expressed in this famous formula- The Spirit is Life. The Mind is the Builder. The Physical is the Result. When we don't grasp this-when we view our bodily well-being in isolation-life can devolve into constant worry about our health and constant battling to make our bodies "behave." When we acknowledge the deep connection between our beliefs and our biology and start to tune in to the Divine part of ourselves, it's a whole new ballgame-and the first step in truly making our lives work. Making life work, and truly feeling your best, is about far more than physical health; it's also about having a healthy emotional life and a robust spiritual life. And this is what makes the efforts of modern medicine incomplete. As Dr. Northrup explains, our current medical system treats symptoms as inconveniences to be masked with drugs or eliminated with surgery-

but that's like putting duct tape over the "check engine" light on your dashboard instead of looking under the bonnet to see what the engine needs. This joyfully encouraging new book helps you lift the bonnet on your own life and health. Topics include- - Untying the knots of blame and guilt that harm your health - Using sexual energy consciously to increase vitality - Balancing your internal systems, including your microbiome, through healthy eating - Cultivating a strong, healthy ego that serves you-instead of the other way around - Communicating directly with the Divine-whatever form it takes for you Drawing on fields from astrology to past-life regression to the new science of epigenetics to standard Western medicine, Dr. Northrup distills a brilliant career's worth of wisdom into one comprehensive user's guide to a healthy, happy, radiant life.

We all know how frustrating it can be to do everything you 're supposed to do and yet see nothing change for the better. This can happen in all areas of our lives, but it is perhaps most trying when it comes to our health. Author Farnaz Afshar knew such frustration. Suffering from a range of physical ailments, she became sicker and sicker and was unable to recover using conventional medicine. The *Alchemy of Healing: The Healer Was Always You* tells of Afshar 's discovery of her self-healing power, documenting her journey from illness to well-being. She shares her own story of healing and offers a collection of thoughts and life lessons to help others experiencing illness. She has come to the conclusion that the cause of every illness is the same, making it possible for anyone to achieve relief from any illness by applying the same Law of Attraction principles she learnt. Each chapter guides you through your own path to recovery from whatever illness you have. You can discover your inner strength and self-healing capabilities. The health you desire is in your hands. You, and only you, can really heal yourself!

You Can Heal Your Life

Based on the breakthrough understanding that virtually all headaches are forms of migraine--because migraine is not a specific type of headache, but the built-in mechanism that causes headaches of all kinds, along with neck stiffness, sinus congestion, dizziness, and other problems--Dr. Buchholz's Heal Your Headache puts headache sufferers back in control of their lives with a simple, transforming program: Step 1: Avoid the "Quick Fix." Too often painkillers only make matters worse because of the crippling complication known as rebound. Step 2: Reduce Your Triggers. The crux of the program: a migraine diet that eliminates the foods that push headache sufferers over the top. Step 3: Raise Your Threshold. When diet and other lifestyle changes aren't enough, preventive medication can help stay the course. That's it: in three steps turn your headache problems around.

You Can Heal Your Life

"I believe that the discoveries in this book can change our understanding of how we store emotional experiences and in so doing, change our lives. The Emotion Code has already changed many lives around the world, and it is my hope that millions more will be led to use this simple tool to heal themselves and their loved ones."—Tony Robbins In this newly revised and expanded edition of The Emotion Code, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of "trapped emotions"—emotional energies that literally inhabit your body. These trapped emotions can fester in

your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love. The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson ' s method gives you the tools to identify and release the trapped emotions in your life, eliminating your “ emotional baggage, ” and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of clinical practice, The Emotion Code is a distinct and authoritative work that has become a classic on self-healing.

You Can Heal Your Life / Trade

In *You Can Heal Your Heart*, self-empowerment luminary Louise Hay and renowned grief and loss expert David Kessler have come together to start a conversation on healing after loss. Louise and David discuss the emotions and thoughts that occur when a relationship leaves you brokenhearted, a marriage ends in divorce, or a loved one dies. They will also help you develop greater self-awareness and compassion, providing you with the courage and tools to face many other types of losses and challenges, such as saying good-bye to a beloved pet, losing your job, coming to terms with a life-threatening illness or disease, and much more. With a perfect blend of Louise's affirmations and teachings on the power of your thoughts and David's many years of working with those in grief, this remarkable book will inspire an extraordinary new way of thinking, bringing profound love and joy into your life. You will not only learn how to harness the power of your grief to help you grow and find peace, but you will also discover that, yes, you can heal your heart.

use. Heal Your Mind continues the three-pronged healing approach that Dr. Mona Lisa Schulz and Louise Hay pioneered together in *All Is Well: Heal Your Body with Medicine, Affirmations, and Intuition*. Here, it ' s applied to aspects of the mind ranging from depression, anxiety, and addiction to memory, learning, and even mystical states. You ' ll learn what ' s going on in your brain and body when:

- You feel sad, angry, or panicked
- An addictive substance or behavior has hold of you
- You have trouble focusing, reading, or remembering
- A past trauma is clouding your mind in the present
- An emotional state is a clue to a physical ailment
- And more

And in each chapter, you ' ll get a “ virtual healing experience ” through case studies in the All Is Well Clinic, where Dr. Mona Lisa uses medical intuition to pinpoint issues in a wide range of prototypical client histories and she and Louise offer solutions and affirmations to help restore well-being. Today, the “ pill-for-every-ill ” approach is so prevalent that we may think our minds and bodies need an endless array of expensive, ever-changing pharmaceutical interventions. In truth, medicines are just one approach to healing the mind; nutritional supplements give us another important way to support mind-body health; and affirmations, as well as various forms of therapy, can restore us to balance by changing the way we think. Heal Your Mind puts all these tools at your disposal to help you choose your own path toward wholeness.

You Can Heal Yourself

What if one of the most effective tools you have to restore your health is not surgery or medications, but your own hands? Incredibly, your hands can heal you -- with the "energy medicine" of Pranic Healing. A powerful system that is rapidly increasing in popularity, Pranic Healing works with your own natural, vital energy -- which is also called prana -- to accelerate your body's innate self-healing ability. Amazingly easy to learn and apply, Pranic Healing uses a series of powerful but simple methods to generate energy, including non-touch hand movements; energetic hygiene, the practice of keeping your personal energy tank clean and full; breathing; and brief meditations. Using these unique techniques, you can identify, clear, and purify unhealthy, imbalanced energy and replace it with fresh energy that helps your body heal itself from a wide range of physical, psychological, and emotional symptoms and disorders. A self-healing guide for 24 ailments, including physical and sports injuries, chronic arthritis, irritable bowel syndrome, insomnia, hypertension, headaches, backaches, congestion and colds, menstrual cramps, even depression and stress-related disorders, is included. With step-by-step instructions, line drawings, and numerous real-life medical stories, *Your Hands Can Heal You* demonstrates and explains a revolutionary program that anyone can use to harness the energy of body, mind, and breath to produce health and facilitate repair. Personally trained by Grand Master Choa Kok Sui, who developed Pranic Healing, the authors, Master Co and Dr. Robins, provide the same detailed guidance in *Your Hands Can Heal You* as in the popular Pranic Healing workshops. Additionally, they present, for the first time in any book, the Grandmaster's special modifications to the breathing practices that can dramatically increase your power and energy and rejuvenate and balance your physical, emotional, mental, and spiritual body. David J. Hellerstein uses the term New Neuropsychiatry to refer to a dramatically different approach to help people who have depression and anxiety disorders. Unlike Old Psychiatry, which often focused on early life issues, the New Neuropsychiatry focuses on improving present-day life and on achieving long-term remission of symptoms. Heal Your Brain combines the advances of neuroscience and medicine with the art of the storyteller to show how the New Neuropsychiatry can alter the course of your life. Dr. Hellerstein, a psychiatrist at Columbia University 's College of Physicians and Surgeons, puts this new form of psychiatry to the test. Depression and anxiety disorders damage the brain, but as Dr. Hellerstein explains, the right treatment can change the patterns of brain activity, brain cell connections, and even the brain 's anatomy. To illustrate, he relates the stories of people as they travel through various phases of New Neuropsychiatry treatment, from evaluation to therapy to remission, and illustrates how this approach can help you progress through each phase as well. The book 's compelling narrative demonstrates that, in many cases, it is possible to achieve a stable recovery and return to " or even experience for the first time " a life free of crippling anxiety and depression.

"Whenever there is a problem, repeat over and over: All is well. Everything is working out for my highest good. Out of this situation only good will come. I am safe." In this healing tour de force, best-selling authors Louise L. Hay and Dr. Mona Lisa Schulz have teamed up for an exciting reexamination of the quintessential teachings from Heal Your Body. All Is Well brings together Louise 's proven affirmation system with Mona Lisa 's knowledge of both medical science and the body 's intuition to create an easy-to-follow guide for health and well-being. And, for the first time ever, they present scientific evidence showing the undeniable link between the mind and

body that makes these healing methods work. Bringing focus and clarity to the effects of emotions on the body, *All Is Well* separates the body into seven distinct groups of organs — or emotional centers — that are connected by their relationship to certain emotions. Structured around these emotional centers, the authors outline common imbalances and probable mental causes for physical illness. They also include case studies that show a complete program for healing that draws from all disciplines, including both traditional and alternative medicine, affirmations, nutritional changes, and so much more. Using the self-assessment quiz, the holistic health advice, and an expanded version of Louise 's original affirmation chart, you can learn how to heal your mind and body with affirmations and intuition and live a balanced, healthy life.
